Peugeot 405 Diesel
Running Problems. I
have a 405 diesel - and
it runs fine most of the
time. When you have
to go up hill it loses all

power and really
struggles - as soon as
you start to go back
down the hill - all is
fine again. I'm thinking
the pickup to from the
fuel tank might have
become blocked as the
car had been standing
a while before I had it.
