It seems she has been abducted but no ransom note is received and the detectives Isaacson quickly discover that a nurse, Elspeth Hunter, is probably the kidnapper. They also discover that Hunter has been a little too closely connected with the death of three other infants. But what are her motives? She married a fortune, and although she is connected to some fairly rough villains this crime does not fit their *modus operandi*. Is it something as 'simple'

as psychological disturbance due to her own inability to bear children, or something more sinister unguessed at?

Dark and Perfect Angels

Poetry. " Saenz' poetry has always been centered in the geography and cultures of the desert Southwest. DARK AND PERFECT ANGELS moves deeper into that territory, exploring the difficult braiding of Mexican, Indian and European traditions of his heritage, the

struggles and complications of family life, the visceral nature of religious faith in Mexico 'where and saint worth praying to must be adorned with blood as well as gold,' a priest's anointing of a young man dying from gunshot, the shedding of the priest's robes and the secular quest for faith. Indeed, this is a book about faith-a cry for honesty, compassion and community as antidotes to the cold-hearted self-interest that drives so much of American culture"-Alison Hawthorne Deming.

The joint ages of friends Joy Lennick and Jean Wilson may add up to one hundred and seventy one years, but there's nothing "old lace" about these two women writers; while the "arsenic"

connection is questionable... Both adept at delving into the messy, murky world of murder, it is enlightening, and sometimes, a relief... to discover their added light, humorous touch. This makes for a diverse selection of highly entertaining short stories to tickle the fancy of readers of a variety of genres. Jean Wilson worked as a Queen's Nurse in the 1950s, and soon

earned the affectionate nickname 'The Angel of Aldgate' for her cheerful, hard work among the sick of the East End of London; and Joy Lennick wore a few hats before becoming an author in 1984; adding many writing projects to her long list, including five books.

The Darker Angels of Our Nature

Refuting the Pinker Theory of History & Violence *Bloomsbury Publishing*

In *The Better Angels of Our Nature* Harvard psychologist Steven Pinker argued that modern history has witnessed a dramatic decline in human violence of every kind, and that in the present we are experiencing the most peaceful time in human history. But what do top historians think about Pinker's reading of the past? Does his argument

stand up to historical analysis? In *The Darker Angels of our Nature*, seventeen scholars of international stature evaluate Pinker's arguments and find them lacking. Studying the history of violence from Japan and Russia to Native America, Medieval England and the Imperial Middle East, these scholars debunk the myth of non-violent modernity. Asserting that the real story of human violence is richer, more interesting and incomparably more complex than Pinker's sweeping, simplified narrative, this book tests, and bests, 'fake history' with expert knowledge.
