The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and--- importantly---about giving control back once you are done with it. The book discusses how this works---the psychology of it---and looks at what can go right, and at what can go wrong and how to fix it.

The Control Book by Peter Masters is not your typical book on dominance and submission. In my experience the typical kink book spends the bulk of its time on the what and the why of bondage and SM. They look on D/S as almost an afterthought, or a product of the other things that we do, as though if you spank them it will come.
