Sign up. For 15 years, N.C. legislators, regulators and advocates have spent massive blood, sweat and tears to force high-cost lending out of our state and keep it out. We've seen the harm first-hand: During the four years that payday lending was legal and the six more years that these shady lenders continued to make loans illegally in our state, we saw the tremendous damage caused by these triple-digit loans and how hard it was for North Carolina families to escape the debt trap.

Stop the debt trap NC - Keep our state safe from payday loans

Debt-trap diplomacy is carried out in bilateral relations, with a powerful lending country seeking to saddle a borrowing nation with enormous debt so as to increase its leverage over it. Authored by Brahma Chellaney in early 2017, the concept of debt-trap diplomacy has grown into "something approaching conventional wisdom." The term has been widely used in recent years, including by world leaders. For example, US Vice President Mike Pence, in a famous 2018 speech, referred to the imperative to p

Debt-trap diplomacy - Wikipedia

Of course, once your outstanding balance is zero, a firm commitment must be made to stay away from credit and avoid being caught in the debt trap again. Face Debt Together. Accepting that sacrifices have to be made in order to enjoy a debt free life will win you half of the war. Even better, with a partner, you can motivate and support one another along this worthwhile journey to financial

freedom. The debt burden is a lot lighter when carried by two.

"The Great Reset" will be our escape from the debt trap. While there will be some winners and (probably more often) losers, it won't be fun for anyone. And it all springs from the debt trap. Today

I'll talk about how we got into this trap, why we can't escape without completely resetting the taxation/spending structure, and what it is doing to the economy.

John Mauldin Blog | Caught In A Debt Trap | Talkmarkets

The debt trap is not just about China, it is a burden for our countries – it is about the global conditions, our dependence on raw material, our exporting and the large informal sector." Amani Abou-Zeid, the African Union's commissioner for infrastructure and energy, is talking to Euromoney from Cairo.
