### **SAGE Books - Engagement and Therapeutic Communication in ...**

The relevance of communication and therapeutic engagement in mental health is emphasised in the summary of the Chief Nursing Officer's review of mental health nursing (DH, 2006). One of the key recommendations in improving outcome for service users is developing and sustaining positive therapeutic relationship with service users, their families and/or carers and should form the basis of all care.

### **Therapeutic Engagement Is A Basic Tool For Nurses**

Walker (2014) identifies that therapeutic engagement is a fundamental aspect of mental health nursing, however tools to support effective engagement are limited. Specifically, tools which capture the impact of engagement on a person's recovery aren't widely available which could lead to unwarranted variation in practice as objective measures aren't consistently applied.
