Be Nice to Spiders Harper Collins

When Billy left his pet spider, Helen, at the Zoo, the animals suddenly became happy and contented. The lions snoozed all day long, the elephants enjoyed their baths, and the zebras ate their hay in peace -- all because Helen was spinning webs and catching flies. But one day Helen's webs were swept away. The Keeper had the cages cleaned for the Mayor's inspection tour. Soon the flies were back again and the animals were miserable once more. But not for long... Children will be fascinated and amused by the way Helen solved the problem and won a permanent place of honor for herself in the Zoo. Margaret Bloy Graham's pictures match the wit and charm of her delightful story.

Spiders (New & Updated Edition) Holiday House

Weaving webs, digging burrows, and floating on strands of silk—spiders are fascinating creatures! From tiny baby spiderlings to large tarantulas, nonfiction master Gail Gibbons' introduction to these intriguing arachnids reminds us that even when they look scary, most spiders are harmless—and even helpful! There are over thirty thousand kinds of spiders in the world—small and large, colorful or gray—and they live, hunt, and adapt in different ways. A number of different species and spider behaviors are highlighted in this book, accompanied by clear, labeled illustrations and important vocabulary. This new and updated edition, vetted by an entomologist, includes revised illustrations and the latest in arachnid science. Filled with interesting trivia and information on the history of spiders, as well as an explanation of the difference between spiders and insects, this is a great introduction that takes the fear out of our eight-legged, web-spinning friends.

The Lady and the Spider StarWalk Kids Media

The Spider and the Fly *Simon & Schuster Children's*

"'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. But do you have any idea how the age-old tale of the Spider and the Fly ends? This enduring verse from Mary Howitt dates back to the nineteenth century, but its warning - to beware the wiles of flattery - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions. Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!

A Field Guide to Spiders of Australia *CSIRO PUBLISHING*

Australians have a love-hate relationship with spiders. Some spiders, such as the Redback and the Sydney Funnelweb, inspire fear. Yet Peacock Spiders, with their colourful fan-spreading courtship dances, have won rapturous appreciation worldwide. A Field Guide to Spiders of Australia uses photographs of living animals to help people identify many of the spiders they encounter. Featuring over 1300 colour photographs, it is the most comprehensive account of Australian spiders ever published. With more than two-thirds of Australian spiders yet to be scientifically described, this book sets the scene for future explorations of our extraordinary Australian fauna. This field guide will be enjoyed by naturalists and anyone with an interest in learning more about Australia's incredible arachnids.
