First, some important instructions... Start by choosing your field setup (below), then create your batting order (1-16). All players must exist in the order so they will appear in the position select menus (ie- pitcher, shortstop, etc). If you are not using a continuous order (ie- everyone bats), then simply skip a space and list the remainder of your players.

Players, particularly young ones, are often just as sensitive to where they appear in the field as where they appear in the batting lineup. In the formative years of T-ball and 8-and-under play it's important to give players a chance to play all over the field, testing their arm strength, catching ability and knowledge of the game.
