Widely practiced in classrooms across the country, the model has been proven by research to improve literacy achievement with a wide range of learners, especially those who struggle with verbal skills. At the heart of her approach is the Artists/Writers Workshop. Through study of quality picture books and hands-on art experiences, students learn to visualize, "paint pictures with words," and ultimately create their own extraordinary artistic and literary work. The book and DVD explain how any teacher can successfully use this process to enable all students, particularly low performers, to make dramatic gains in both reading and writing.

Dorothea Lange: A Life Beyond Limits *W. W. Norton & Company*

Winner of the 2010 Bancroft Prize and finalist for the 2009 Los Angeles Times Book Prize in Biography: The definitive biography of a heroic chronicler of America's Depression and one of the twentieth century's greatest photographers. We all know Dorothea Lange's iconic photos—the Migrant Mother holding her child, the shoeless children of the Dust Bowl—but now renowned American historian Linda Gordon brings them to three-dimensional life in this groundbreaking exploration of Lange's transformation into a documentarist. Using Lange's life to anchor a moving social history of twentieth-century America, Gordon masterfully re-creates bohemian San Francisco, the Depression, and the Japanese-American internment camps. Accompanied by more than one hundred images—many of them previously unseen and some formerly suppressed—Gordon has written a sparkling, fast-moving story that testifies to her status as one of the most gifted historians of our time. Finalist for the Los Angeles Times Book Prize; a New York Times Notable Book; New Yorker's A Year's Reading; and San Francisco Chronicle Best Book.

How Pictures Complete Us

The Beautiful, the Sublime, and the Divine *Stanford University Press*

Despite the wonders of the digital world, people still go in record numbers to view drawings and paintings in galleries. Why? What is the magic that pictures work on us? This book provides a provocative explanation, arguing that some pictures have special kinds of beauty and sublimity that offer aesthetic transcendence. They take us imaginatively beyond our finite limits and even invoke a sense of the divine. Such aesthetic transcendence forges a relationship with the ultimate and completes us psychologically. Philosophers and theologians sometimes account for this as an effect of art, but *How Pictures Complete Us* distinguishes itself by revealing how this experience is embodied in pictorial structures and styles. Through detailed discussions of artworks from the Renaissance through postmodern times, Paul Crowther reappraises the entire scope of beauty and the sublime in the context of both representational and abstract art, offering unexpected insights into familiar phenomena such as ideal beauty, pictorial perspective, and what pictures are in the first place.

Dick Bruna

The Illustrators Series

By the time Dutch artist Dick Bruna retired, he was an international star, far beyond the sphere of children's books, and his creation, Miffy, had become a global sensation, translated into more than 50 languages. Fellow illustrator Bruce Ingman takes readers behind the scenes of the work of Dick Bruna, who created some of the world's most endearing children's characters. Offering a deeper appreciation of the artistry and skill behind the international icon Miffy, also reveals Bruna's lesser-known works, including his striking book and poster designs. Inspired by Fernand Léger and Henri Matisse, Bruna's clearly defined use of line, color, and text, confirmed that for him, the illustration and book design processes were inseparable. Ingman shows us how the elegant simplicity of Bruna's illustrations appeals to children, artists, and designers alike, and how he gained devoted fans across ages and artistic disciplines. With an illustrator's insight, this book celebrates Bruna along with his influences. A glimpse into his studio reveals a man of many media, including drawing, painting, collage, and photography. All the elements of Bruna's extensive body of work, spanning book covers, posters, stamps, and merchandise, are given space in this illuminating study of his stunningly successful career.

Fifty Years of Illustration *Laurence King Publishing*

This book charts contemporary illustration's rich history: from the rampant idealism of the 1960s to

the bleak realism of the 1970s, and from the over-blown consumerism of the 1980s to the digital explosion of the 1990s, followed by the increasing diversification of illustration in the early twenty-first century. The book explores the contexts in which the discipline has operated and looks historically, sociologically, politically, and culturally at the key factors at play across each decade, while artworks by key illustrators bring the decade to life. Contemporary illustration's impact and influence on design and popular culture are investigated through introductory essays and profiles of leading practitioners, illustrated with examples of the finest work.

Drawing, Seeing and Observation *Herbert Press*

Ian Simpson's clear systematic approach to all aspects of drawing provides a comprehensive drawing course, ideal for both beginners and for those with considerable experience who want to re-examine the fundamentals. Illustrated, and with many suggestions for practical work, this book also offers teachers at all levels a ready-made instruction programme which progresses from basic drawing problems to the development of personal style.

Framed Ink 2

Frame Format, Energy, and Composition for Visual Storytellers

The highly anticipated follow-up to Framed Ink from Marcos Mateu-Mestre, Framed Ink 2 provides insight into another compositional tool that Marcos uses every day to create his amazing artwork--the energy within the working frame. In each piece of art, regardless of its format, one must

consider essential factors such as the push-pull, tension-relaxation, pressure-release, balance and imbalance that happen inside the working area to support our storytelling. All of these factors apply in any aspect ratio, whether it be horizontal, vertical or square, each a format to consider when working in the movie, gaming, animation and graphic novel industries, which in our day and age can be presented through a variety of outlets such as a movie theater, home theater, social media and a number of personal devices. Marcos encourages and educates us on how not to be limited by the format but to embrace and rise to the challenge of designing for each format. A perfect accompaniment to his prior releases Framed Ink, Framed Perspective Vol. 1 and Vol. 2 and Framed Drawing Techniques, this book will take a reader's knowledge base to the next level and allow them to build on their expertise as an effective visual storyteller.
