Duke University Press - Uplift Cinema

Overall Uplift Cinema remarkably explores the influence of uplift within the cultural production of African American imagery in the early 20 th century. Field concludes the text by returning back to Micheaux's Body and Soul and dissecting the ways that he both reproduces and rejects uplift as a tool for representational advancement and its subsequent influence on African American film practices over time.

Allyson Nadia Field, Uplift Cinema: The Emergence of ...

Allyson Nadia Field's Uplift Cinema excavates the lost history of African-American filmmaking in the first half of the 1910s, uncovering a surprisingly diverse body of genres – from local film and sponsored production to drama and comedy – through which early Black entrepreneurs strove to self-fashion racial representations on their own terms. Irrespective of form or subject matter, Field contends that all of these works were inevitably in conversation with the era's ever-present and ...
