The Sense of an Ending *Vintage*

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly

present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

The Sense of an Ending *Random House*

Canada

Winner of the 2011 Man Booker Prize and #1 international bestseller, *The Sense of an Ending* is a masterpiece. The story of a man coming to terms with the mutable past, Julian Barnes's new novel is laced with his trademark precision, dexterity and insight. It is the work of one of the world's most distinguished writers. Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they navigated the girl drought of gawky adolescence together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they swore to stay friends

forever. Until Adrian's life took a turn into tragedy, and all of them, especially Tony, moved on and did their best to forget. Now Tony is in middle age. He's had a career and a marriage, a calm divorce. He gets along nicely, he thinks, with his one child, a daughter, and even with his ex-wife. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. The unexpected bequest conveyed by that letter leads Tony on a dogged search through a past suddenly turned murky. And how do you carry on, contentedly, when events conspire to upset all your vaunted truths?

The Sense of an Ending *Random House*

'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph **Winner of the Man Booker Prize for Fiction 2011** Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's

letter is about to prove. Now a major film

The Sense of an Ending *Alfred a Knopf Incorporated*

Follows a middle-aged man as he reflects on a past he thought was behind him, until he is presented with a legacy that forces him to reconsider different decisions, and to revise his place in the world.

Nothing to be Frightened Of *Vintage Canada*

"I don't believe in God, but I miss him." So begins Julian Barnes's brilliant new book that is, among many things, a family memoir, an exchange with his brother (a philosopher), a meditation on mortality and the fear of death, a celebration of art, an argument with and

about God, and a homage to the writer Jules Renard. Barnes also draws poignant portraits of the last days of his parents, recalled with great detail, affection and exasperation. Other examples he takes up include writers, "most of them dead and quite a few of them French," as well as some composers, for good measure. The grace with which Barnes weaves together all of these threads makes the experience of reading the book nothing less than exhilarating. Although he cautions us that "this is not my autobiography," the book nonetheless reveals much about Barnes the man and the novelist: how he thinks and how he writes and how he

lives. At once deadly serious and dazzlingly playful, *Nothing to Be Frightened Of* is a wise, funny and constantly surprising tour of the human condition.

The Sense of an Ending *Oxford University Press*

Frank Kermode is one of our most distinguished critics of English literature. Here, he contributes a new epilogue to his collection of classic lectures on the relationship of fiction to age-old concepts of apocalyptic chaos and crisis. Prompted by the approach of the millennium, he revisits the book which brings his highly concentrated insights to bear on some of the most unyielding philosophical and aesthetic enigmas.

Examining the works of writers from Plato to William Burrows, Kermode shows how they have persistently imposed their "fictions" upon the face of eternity and how these have reflected the apocalyptic spirit. Kermode then discusses literature at a time when new fictive explanations, as used by Spenser and Shakespeare, were being devised to fit a world of uncertain beginning and end. He goes on to deal perceptively with modern literature with "traditionalists" such as Yeats, Eliot, and Joyce, as well as contemporary "schismatics," the French "new novelists," and such seminal figures as Jean-Paul Sartre and Samuel Beckett. Whether

weighing the difference between modern and earlier modes of apocalyptic thought, considering the degeneration of fiction into myth, or commenting on the vogue of the Absurd, Kermode is distinctly lucid, persuasive, witty, and prodigal of ideas.

Flaubert's Parrot
Vintage

BOOKER PRIZE
NOMINEE • The literary detective story of a retired doctor who is obsessed with the 19th century French author Flaubert—and with tracking down a stuffed parrot that once inspired him • From the internationally bestselling author of *The Sense of an Ending* Julian Barnes playfully combines a detective story with a character study of its detective,

embedded in a brilliant riff on literary genius. A compelling weave of fiction and imaginatively ordered fact, Flaubert's *Parrot* is by turns moving and entertaining, witty and scholarly, and a tour de force of seductive originality.

Arthur & George
Vintage Canada

Brilliantly imagined and irresistibly readable, *Arthur & George* is a major new novel from Julian Barnes, a wonderful combination of playfulness, pathos and wisdom. Searching for clues, no one would ever guess that the lives of Arthur and George might intersect. Growing up in shabby-genteel nineteenth-century Edinburgh, Arthur is saddled with a dad who

is a disgrace and a mum he wishes to protect, and is propelled into a life of action. To his astonishment, his career as a self-made man of letters brings him riches and fame and, in the world at large, he becomes the perfect picture of the honourable English gentlemen. George is irredeemably an outsider, and has no hope of becoming such a picture. Though he's dogged and logical, a vicar's son from rural Staffordshire, he is set apart, and he and his family are targeted in his boyhood by a poison-pen campaign. George finds safe harbour in the reliability of rules, and grows up to become a solicitor, putting his faith in the insulating value of British justice.

Then crisis upsets the uneasy equilibrium of both men's lives. Arthur is knocked for a loop by guilt and other dishonourable emotions. George is put to the sorest test, accused of a horrible crime. And from that point on their lives weave together in the most profound and surprising way, as each man becomes the other's salvation. Arthur & George is a masterful novel about low crime and high spirituality, guilt and innocence, identity, nationality and race. Most of all, it's a profound and witty meditation on the fateful differences between what we believe, what we know and what we can prove. George and his father pray together, kneeling side by side

on the scrubbed boards. Then George climbs into bed while his father locks the door and turns out the light. As he falls asleep, George sometimes thinks of the floor, and how his soul must be scrubbed just as the boards are scrubbed. Father is not an easy sleeper, and has a tendency to groan and wheeze. Sometimes, in the early morning, when dawn is beginning to show at the edges of the curtains, Father will catechize him. "George, where do you live?" "The Vicarage, Great Wyrley." "And where is that?" "Staffordshire, Father." "And where is that?" "The centre of England." "And what is England, George?" "England is the beating heart of the Empire,

Father." "Good. And what is the blood that flows through the arteries and veins of the Empire to reach even its farthest shore?" "The Church of England." "Good, George." And after a while Father will begin to groan and wheeze again. George watches the outline of the curtain harden. He lies there thinking of arteries and veins making red lines on the map of the world, linking Britain to all the places coloured pink: Australia and India and Canada and islands dotted everywhere. He thinks of blood bubbling though these tubes and emerging in Sydney, Bombay, the St. Lawrence Waterway. Bloodlines, that is a word he has heard somewhere. With the pulse of blood

in his ears, he begins to fall asleep again. —excerpt from Arthur & George

The Only Story *Vintage*

One of the Best Books of the Year: San Francisco Chronicle, Financial Times Most of us have only one story to tell . . . only one that matters, only one finally worth telling. This is mine. One summer in the sixties, in a staid suburb south of London, nineteen-year-old Paul comes home from university and is urged by his mother to join the tennis club. There he's partnered with Susan Macleod, a fine player who's forty-eight, confident, witty, and married, with two nearly adult daughters. She is a warm companion, her bond

with Paul immediate. And soon, inevitably, they are lovers. Basking in the glow of one another, they set up house together in London. Decades later, Paul looks back at how they fell in love and how—gradually, relentlessly—everything fell apart. As he turns over his only story in his mind, examining it from different vantage points, he finds himself confronted with the contradictions and slips of his own memory—and the ways in which our narratives and our lives shape one another. Poignant, vivid and profound, *The Only Story* is a searing novel of memory, devotion, and how first love fixes a life forever.

The Sense of an Ending Oxford

Pulse *Random House Canada*

From a writer who's on a roll, fourteen stories that range freely through the historical past and contemporary life, touching on longing and love, loss and friendship, and a great many passions in between. It's the strongest collection yet from Julian Barnes. From an imperial capital in the eighteenth century to Garibaldi's adventures in the nineteenth, from the vineyards of Italy to the English seaside in our time, Julian Barnes finds the "stages, transitions, arguments" that define us. A newly divorced real estate agent can't resist invading his reticent girlfriend's

privacy, but the information he finds reveals only his callously shallow curiosity. A couple comes together through an illicit cigarette and a song shared over the din of a Chinese restaurant. A widower revisiting the Scottish island he'd treasured with his wife learns how difficult it is to purge oneself of grief. And throughout, friends gather regularly at dinner parties and perfect the art of cerebral, sometimes bawdy banter about the world passing before them. Whether domestic or extraordinary, each story pulses with the resonance, spark and poignant humor for which Barnes is justly heralded.

England, England

Vintage Canada

Grotesque visionary Sir Jack Pitman has an idea. Since most people are too lazy to travel from landmark to landmark, why not simplify things and create a new England on the Isle of Wight? Unfortunately, his idea is a huge success, and the resulting theme park threatens to supersede the original. Called England, England, it has all the elements of "Old England" in one convenient location. Wander into the new Sherwood Forest and you may spot Robin Hood and his now sexually ambiguous Merrie Men. Or take a stroll to see Stonehenge and Anne Hathaway's Cottage, enjoy a ploughman's lunch atop the White Cliffs of Dover, then

pop over to see the Royals, now on contract to Sir Jack, in their scaled-down version of Buckingham Palace. Every detail has been considered: even the postcards come pre-stamped! Julian Barnes' first novel in six years is a ferociously funny examination of the search for authenticity and truth in a fabricated world.

The Noise of Time *Vintage*

A compact masterpiece dedicated to the Russian composer Dmitri Shostakovich: Julian Barnes's first novel since his best-selling, Man Booker Prize-winning *The Sense of an Ending*. In 1936, Shostakovich, just thirty, fears for his livelihood and his life. Stalin, hitherto a

distant figure, has taken a sudden interest in his work and denounced his latest opera. Now, certain he will be exiled to Siberia (or, more likely, executed on the spot), Shostakovich reflects on his predicament, his personal history, his parents, various women and wives, his children—and all who are still alive themselves hang in the balance of his fate. And though a stroke of luck prevents him from becoming yet another casualty of the Great Terror, for decades to come he will be held fast under the thumb of despotism: made to represent Soviet values at a cultural conference in New York City, forced into joining the Party and compelled, constantly, to weigh appeasing

those in power against the integrity of his music. Barnes elegantly guides us through the trajectory of Shostakovich's career, at the same time illuminating the tumultuous evolution of the Soviet Union. The result is both a stunning portrait of a relentlessly fascinating man and a brilliant exploration of the meaning of art and its place in society.

Levels of Life *Vintage*
Julian Barnes, author of the Man Booker Prize-winning novel *The Sense of an Ending*, gives us his most powerfully moving book yet, beginning in the nineteenth century and leading seamlessly into an entirely personal account of loss—making *Levels of*

Life an immediate classic on the subject of grief. *Levels of Life* is a book about ballooning, photography, love and loss; about putting two things, and two people, together, and about tearing them apart. One of the judges who awarded Barnes the 2011 Booker Prize described him as “an unparalleled magus of the heart.” This book confirms that opinion. “Spare and beautiful...a book of rare intimacy and honesty about love and grief. To read it is a privilege. To have written it is astonishing.” —Ruth Scurr, *The Times of London* “A remarkable narrative that is as raw in its emotion as it is characteristically elegant in its execution.” —Eileen

Battersby, *The Irish Times* This ebook edition includes a reading group guide.

Tell Me an Ending

Simon and Schuster

"Sharply, beautifully written." —The New York Times Book Review "Intriguing, frightening, witty, and humane." —The Wall Street Journal Black Mirror meets Severance in this thrilling speculative novel about a tech company that deletes unwanted memories, the consequences for those forced to deal with what they tried to forget, and the doctor who seeks to protect her patients from further harm. What if you didn't have to live with your worst memories? Across the world, thousands of people are shocked by

a notification that they once chose to have a memory removed. Now they are being given an opportunity to get that memory back. Four individuals are filled with new doubts, grappling with the unexpected question of whether to remember unknown events, or to leave them buried forever. Finn, an Irish architect living in the Arizona desert, begins to suspect his charming wife of having an affair. Mei, a troubled grad school dropout in Kuala Lumpur, wonders why she remembers a city she has never visited. William, a former police inspector in England, struggles with PTSD, the breakdown of his marriage, and his own secret family history. Oscar, a handsome young man

with almost no memories at all, travels the world in a constant state of fear. Into these characters' lives comes Noor, a psychologist working at the Nepenthe memory removal clinic in London. The process of reinstating patients' memories begins to shake the moral foundations of her world. As she delves deeper into how the program works, she will have to risk everything to uncover the cost of this miraculous technology. A provocative exploration of secrets, grief, and identity—of the stories we tell ourselves—*Tell Me an Ending* is “an intellectually and emotionally satisfying thriller” (Booklist).

Before She Met Me

Vintage

At the start of this fiendishly comic and suspenseful novel, a mild-mannered English academic chuckles as he watches his wife commit adultery. The action takes place before she met him. But lines between film and reality, past and present become terrifyingly blurred in this sad and funny tour de force from the author of *Flaubert's Parrot*.

Metroland *Vintage*

Only the author of *Flaubert's Parrot* could give us a novel that is at once a note-perfect rendition of the angsts and attitudes of English adolescence, a giddy comedy of sexual awakening in the 1960s, and a portrait of the accommodations that some of us call

"growing up" and others "selling out."

The Sixteenth of June *Simon and Schuster*

A finely observed debut novel that paints a funny, moving, truthful portrayal of a family at a turning point: "A triumph" (Helen Schulman, New York Times bestselling author of *This Beautiful Life*). Leopold Portman dreams of settling down in Philadelphia's bucolic suburbs and starting a family with his fiancée, Nora. A talented singer in mourning for her mother, Nora has abandoned a promising opera career and wonders what her destiny holds. Her best friend, Stephen, Leopold's brother, dithers in his seventh year of graduate

school and privately questions Leo and Nora's relationship. On June 16, 2004, the three are brought together—first for a funeral, then for the Portmans' annual Bloomsday party. As the long-simmering tensions between them rise, they must confront their pasts and their hopes for the future. Clever, lyrical, and poignant, *The Sixteenth of June* delves into the frictions and allegiances of friendships, the murky uncertainty of early adulthood, and the yearning to belong. Offering a nod to James Joyce's *Ulysses*, this remarkable novel explores the secrets we keep and the lengths we go to for acceptance and love. It is "a perfect book for fans of Jonathan

Tropper, Meg Wolitzer, and, yes, James Joyce" (Star Tribune, Minneapolis).

Something to Declare *Random House Canada*

Anyone who loves France (or just feels strongly about it), or has succumbed to the spell of Julian Barnes's previous books, will be enraptured by this collection of essays on the country and its culture. Barnes's appreciation extends from France's vanishing peasantry to its hyper-literate pop singers, from the gleeful iconoclasm of nouvelle vague cinema to the orgy of drugs and suffering that is the Tour de France. Above all, Barnes is an unparalleled connoisseur of French writing and writers.

Here are the prolific and priapic Simenon, Baudelaire, Sand and Sartre, and several dazzling excursions on the prickly genius of Flaubert. Lively yet discriminating in its enthusiasm, seemingly infinite in its range of reference, and written in prose as stylish as haute couture, *Something to Declare* is an unadulterated joy.

Veronica *Vintage*

A finalist for the National Book Award and National Book Critics Circle Award, here is an evocative novel about female friendship in the glittering 1980s. Alison and Veronica meet amid the nocturnal glamour of 1980s New York: One is a young model stumbling away from the wreck of her

career, the other an eccentric middle-aged office temp. Over the next twenty years their friendship will encompass narcissism and tenderness, exploitation and self-sacrifice, love and mortality. Moving seamlessly from present and past, casting a fierce yet compassionate eye on two eras and their fixations, the result is a work of timeless depth and moral power.

Keeping an Eye Open *Vintage*

An extraordinary collection—hawk-eyed and understanding—from the Man Booker Prize-winning, best-selling author of *The Sense of an Ending* and *Levels of Life*. As Julian Barnes notes: “Flaubert believed that

it was impossible to explain one art form in terms of another, and that great paintings required no words of explanation. Braque thought the ideal state would be reached when we said nothing at all in front of a painting . . . But it is a rare picture that stuns, or argues, us into silence. And if one does, it is only a short time before we want to explain and understand the very silence into which we have been plunged.” This is the exact dynamic that informs his new book. In his 1989 novel *A History of the World in 10½ Chapters*, Barnes had a chapter on Géricault’s *The Raft of the Medusa*, and since then he has written about many great masters of nineteenth- and twentieth-century

art, including Delacroix, Manet, Fantin-Latour, Cézanne, Degas, Redon, Bonnard, Vuillard, Vallotton, Braque, Magritte, Oldenburg, Lucian Freud and Howard Hodgkin. The seventeen essays gathered here help trace the arc from Romanticism to Realism and into Modernism; they are adroit, insightful and, above all, a true pleasure to read.

Desolation *Vintage*

Samuel Perlman, the elderly narrator of Yasmina Reza's deliriously dyspeptic novel, is surrounded by happy people. His wife Nancy is thrilled to be a member of the human race. His grown son is content crisscrossing the world to "sample exotic fruit with the savages." But Samuel himself refuses to be happy and his attempt to explain his refusal (half to his son and half to himself) generates an epic, blasphemous, and hilarious rant against the compromises of his life. Whether he is recounting his pal Lionel's heroic battle against impotence; lamenting the loss of his great love, the irresistible Marisa Botton; or pondering the possibility of a new love in the person of one Genevieve Abramowitz, the droll, irascible Perlman is one of the great talkers of contemporary fiction. And *Desolation* is one of the most dazzling performances ever written for one voice.

Love, Etc *Vintage Canada*

In *Love, etc.* Julian Barnes has created a deep, dark feast of human frailties and needs. *Love, etc.* stars three characters introduced a decade ago in *Talking It Over* — to which this novel has an eerie, freestanding relation. Which is precisely what Stuart felt about his wife Gillian, until his witty, feckless, former best friend Oliver stole her away. Fabulously engaging and profoundly unsettling.

The Cabinet *Watkins Media Limited*

Winner of the Munhakdongne Novel Award, South Korea's most prestigious literary prize. *Cabinet 13* looks exactly like any normal filing cabinet...Except this

cabinet is filled with files on the 'symptomers', humans whose strange abilities and bizarre experiences might just mark the emergence of a new species. But to Mr Kong, the harried office worker whose job it is to look after the cabinet, the symptomers are a headache; especially the one who won't stop calling every day, asking to be turned into a cat. A richly funny and fantastical novel about the strangeness at the heart of even the most everyday lives, from one of South Korea's most acclaimed novelists. Translated by Sean Lin Halbert
File Under: Fiction [12,000 Cans of Beer | Memory Mosaicers | Will Execution Inc. | Monkey of All Bombs]

English Studies

Cambridge Scholars Publishing

This volume offers a selection of revised versions of the papers presented at the 7th International IDEA Conference held at Pamukkale University in Denizli, Turkey, organised by the Association of English Language and Literary Studies in Turkey. The contributions to this book offer a wide range of research from scholars on a variety of topics in English literature, including Shakespearean studies, Victorian, colonial, and postcolonial literature, poetry, and drama studies. The volume also includes a number of informative research articles on comparative and translation studies which will offer

assistance to young scholars in their academic studies. In addition to acting as a guide to young academics, the book will also function as a fruitful reference book in a wide range of English literary studies.

Dear Life Vintage

WINNER OF THE NOBEL PRIZE© IN LITERATURE
2013 A New York Times Notable Book
A Washington Post Notable Work of Fiction
A Best Book of the Year: The Atlantic, NPR, San Francisco Chronicle, Vogue, AV Club
In story after story in this brilliant new collection, Alice Munro pinpoints the moment a person is forever altered by a chance encounter, an action not taken, or a simple twist of fate. Her characters are flawed

and fully human: a soldier returning from war and avoiding his fiancée, a wealthy woman deciding whether to confront a blackmailer, an adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer. Illumined by Munro's unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, *Dear Life*

shows how strange, perilous, and extraordinary ordinary life can be.

Where You Come From *Tin House Books*

A Washington Post, Chicago Review of Books, Kirkus, and Christian Science Monitor Best Book of the Month "Inventive, funny and moving." —The New York Times Book Review
Translated from the German by Damion Searls Winner of the German Book Prize, Saša Stanišić's inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy's father joins them, bringing a brown

suitcase, insomnia, and a scar on his thigh. Saša Stanišić's *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons' den. Translated by Damion Searls, it's a novel about homelands, both remembered and imagined, lost and found. A book that playfully twists form

and genre with wit and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

Jane Two *Center Street*

A coming of age debut novel from *The Boondock Saints* and *Young Indiana Jones* actor Sean Patrick Flanery. A young Mickey navigates through the dense Texas humidity of the 70s and out onto the porch every single time his Granddaddy calls him, where he's presented with the heirloom recipe for life, love, and manhood. But all the logic and insight in the world

cannot prepare him to operate correctly in the presence of a wonderfully beautiful little girl who moves in just behind his rear fence. How will this magical moment divide Mickey's life into a "before and after" and permanently change his motion and direct it down the unpaved road to which only a lucky few are granted access?

The Man in the High Castle *Houghton Mifflin Harcourt*

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Love and its Critics

Open Book Publishers

This book is a history of love and the challenge love offers to the laws and customs of its times and places, as told through poetry from the Song of Songs to John Milton's *Paradise Lost*. It is also an account of the critical reception afforded to such literature, and the ways in which criticism has attempted to stifle this challenge. Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called *fin'amor*: love as an end in itself, mutual and freely chosen even in the face of social, religious, or political retribution. Neither eros nor agape, neither exclusively of the

body, nor solely of the spirit, this love is a middle path. Alongside this tradition has grown a critical movement that employs a 'hermeneutics of suspicion', in Paul Ricoeur's phrase, to claim that passionate love poetry is not what it seems, and should be properly understood as worship of God, subordination to Empire, or an entanglement with the structures of language itself – in short, the very things it resists. The book engages with some of the seminal literature of the Western canon, including the Bible, the poetry of Ovid, and works by English authors such as William Shakespeare and John Donne, and with criticism that

stretches from the earliest readings of the Song of Songs to contemporary academic literature. Lively and enjoyable in its style, it attempts to restore a sense of pleasure to the reading of poetry, and to puncture critical insistence that literature must be outwitted. It will be of value to professional, graduate, and advanced undergraduate scholars of literature, and to the educated general reader interested in treatments of love in poetry throughout history.

How Reading Changed My Life

Ballantine Books

THE LIBRARY OF
CONTEMPORARY
THOUGHT is a

groundbreaking series where America's finest writers and most brilliant minds tackle today's most provocative, fascinating, and relevant issues. Striking and daring, creative and important, these original voices on matters political, social, economic, and cultural, will enlighten, comfort, entertain, enrage, and ignite healthy debate across the country.

The Lemon Table
Vintage Canada

Master prose stylist Julian Barnes presents a collection of stories whose characters are growing old and facing the end of their lives -- some with bitterness, some with resignation and others with raging defiance. "Life is just a premature reaction to

death," was what Viv's husband used to say. Once her lover and friend, he is now Viv's semi-helpless charge, who is daily sinking ever deeper into dementia. In "Appetite," Viv has found a way to reach her husband: by reading aloud snippets of recipe books until he calls out indelible -- and sometimes unfortunate -- scenes locked away in his brain. In "The Things You Know," two elderly friends enjoy their monthly breakfast meetings that neither would ever think of missing. Of course, all they really have in common is a fondness for flat suede shoes and a propensity for thinking spiteful, unspoken thoughts about one another's dead husbands. "The

Fruit Cage" is narrated by a middle-aged man whose seemingly orderly upbringing is harrowingly undone when he discovers that his parents' old age is not necessarily a time of serenity but actually an age of aroused, perhaps violent, passions. In these stories, Julian Barnes displays the erudition, wit and uncanny insight into the human mind that mark him as one of today's great writers, one whose intellect and humour never obscure a genuine affection for his characters.

One Hundred Years of Solitude *Harper Collins*

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and

acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these

universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Wish Her Safe At Home *New York Review of Books*

Rachel Waring is deliriously happy. Out of nowhere, a great-aunt leaves her a Georgian mansion in another city—and she sheds her old life without delay. Gone is her dull administrative job, her mousy wardrobe, her downer of a roommate. She will live as a woman of leisure, devoted to beauty, creativity, expression, and love. Once installed in her new quarters, Rachel plants a garden, takes up writing, and impresses everyone she meets with her extraordinary optimism. But as Rachel sings and jokes the days away, her new neighbors begin to wonder if she might be taking her transformation just a bit too far. In *Wish Her Safe at Home*, Stephen

Benatar finds humor and horror in the shifting region between elation and mania. His heroine could be the next-door neighbor of the Beales of Grey Gardens or a sister to Jane Gardam's oddball protagonists, but she has an ebullient charm all her own.

Sense and Sensibility

Flaubert's Parrot, A History of the World in 10 1/2 Chapters

National Geographic Books

An Everyman's Library hardcover omnibus edition of two of the Booker Prize-winning author's earliest and most admired novels, neither of which has been available in hardcover for more than two decades. With full-cloth binding, a silk

ribbon marker, a chronology, and a new introduction. Flaubert's Parrot, Julian Barnes's breakthrough book—shortlisted for the Booker Prize in 1984—is the story of Geoffrey Braithwaite, a retired doctor who is obsessed with the French author and with tracking down a stuffed parrot that once inspired him. Barnes playfully combines a literary detective story with a character study of its detective, embedded in a brilliant riff on literary genius. A History of the World in 10 1/2 Chapters is a mix of fictional and historical narratives of voyage and discovery—ranging from a woodworm's perspective on Noah's ark to a survivor from the sinking of the Titanic—that question

our ideas of history. One of his most inventive works, it was praised by Salman Rushdie as "frequently brilliant, funny, thoughtful, iconoclastic, and a delight to read."

The Magpie Trap

The Seven Husbands of Evelyn Hugo

Simon and Schuster

The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

Staring At The Sun

Vintage Canada

Jean Serjeant, the heroine of Julian Barnes's wonderfully provocative novel, seems ordinary, but has an extraordinary disdain for wisdom. And as Barnes—winner of the Man Booker Prize for *The Sense of an Ending*—follows her from her childhood in the 1920s to her flight into the sun in the year 2021, he confronts readers with the fruits of her relentless curiosity: pilgrimages to China and the Grand Canyon; a catalog of 1940s sexual euphemisms; and a glimpse of technology in the twenty-first century (when *The Absolute Truth* can be universally accessed). Elegant, funny and intellectually subversive, *Staring at the Sun* is Julian Barnes at his most dazzlingly

original. "Brilliant. . . . A marvelous literary epiphany." —Carlos Fuentes, The New York Times Book Review "Barnes's literary energy and daring are nearly unparalleled." —New Republic

When Life Gives You Demons *Swoon Reads*

A smart and funny YA novel from Jennifer Honeybourn, *When Life Gives You Demons* Some people have school spirit. Shelby Black has real ones. Shelby Black has spent the past six months training to be an exorcist. Her great-uncle Roy—a Catholic priest—has put her through exorcist boot camp hell, hoping to develop her talent, but ohmygod, he still doesn't trust her to do an exorcism on her own. High school is

hard enough without having to explain that you fight demons for a living, so Shelby keeps her extracurricular activity to herself. The last thing she wants is for her crush, Spencer, to find out what she does in her off time. But Shelby knows how to keep a secret—even a big one. Like the fact that her mom left under mysterious circumstances and it's all her fault. Shelby is hellbent on finding her mom, no matter what it costs her—even if what it ends up costing her is her soul AND a relationship with Spencer. Praise for Wesley James Ruined My Life: "Everything readers expect and want from a lighthearted summer teen romance....Pitch-perfect." —School Library Journal "Light,

cute, and a quick charming and
 read." —The Eater of absolutely un-put-
 Books "Immensely downable." —Jennifer
 readable, utterly McKenzie
