The Pattern Of The Chinese Past

A satisfactory comprehensive history of the social and economic development of pre-modern China, the largest country in the world in terms of population, and with a documentary record covering three millennia, is still far from possible. The present work is only an attempt to disengage the major themes that seem to be of relevance to our understanding of China today.

Patterns: It is a tradition for Chinese people to express good

wishes by using patterns. This is echoed in the arts of making clothes, from luxury silk, to relatively cheap calico. The patterns used on clothes can be animals, plants, flowers, mountains, architectures, geometrical patterns, or other auspicious designs. They are not only beautiful, but also meaningful.
