Citation - Public & private families : an introduction ...

By. Ashley Crossman. Updated August 31, 2019. Within sociology, public and private spheres are thought of as two distinct realms in which people operate on a daily basis. The basic distinction between them is that the public sphere is the realm of politics where strangers come together to engage in the free exchange of ideas, and is open to everyone, whereas the private sphere is a smaller, typically enclosed realm (like a home) that is only open to those who have permission to enter it.

Private and Public Spheres in Sociology

There are situations when public authorities can interfere with your right to respect for private and family life, home and correspondence. This is only allowed where the authority can show that its action is lawful, necessary and proportionate in order to:

Article 8: Respect for your private and family life ...

The guidance relates to public and private family law orders and is being updated in light of the Children and Families Bill 2014. Documents. Court orders relating to family law.

Court orders relating to family law - GOV.UK

The state is often viewed as part of the impersonal public sphere in opposition to the private family as a locus of warmth and intimacy. In recent years this modernist dichotomy has been challenged by theoretical and institutional trends which have altered the relationship between state and family.
