This lesson is the final teacher-centered lesson of this unit and is actually more of a review and organization of many of the ideas that came up throughout the unit. This lesson focuses on the so called "demographic transition", or the predictable pattern of population change as societies move from pre-industrial to post-industrial economies.

Ninth grade Lesson The Demographic Transition | BetterLesson

This guide summarises the application of the SM&CR and is a good starting point for firms, providing sign posts to areas of the FCA Handbook for further reading. However, the FCA states that the guide does not substitute reading the Handbook rules and guidance, and where the rules and guidance conflict with the guide, the rules and guidance take precedence.
