Sample Reflections Of A Nurse

A basic principle of nursing is that every patient as well as his family members should be given respect. Additionally, as an important part of medical team, it is the responsibility of a nurse to create an environment where best possible treatment and care can be given to the patients.

Gibbs' Reflective Cycle: Examples of Reflective Writing ...

Amid the upheaval of the pandemic, nurses can use reflection to process their experiences and improve practice. The COVID-19 response has seen nurses adapt to different ways of caring in different environments, and reflection can help process these often stressful experiences. The usual mechanisms for reflection have been disrupted by the pandemic, but reflective practice is an ongoing process that individuals and teams should not overlook during this time.
