Organising a voluntary event: a 'can do' guide - GOV.UK

While there's a good bit of social science research that addresses one or more aspects of what we're looking for in the 'good community', two studies are particularly relevant. Perhaps best known, David McMillan and David Chavis (1986), in their analysis of previous studies found that four factors consistently show up as community attributes we all look for in a good community.

What Makes the 'Good Community'? - Penn State Extension

One of the most beneficial aspect of planning is in creating goals to accomplish. When you sit down and write out what you want to accomplish you will be surprised how this goal structure lends itself to creating a plan for accomplishing them. There are a

couple of different strategies when working on goals.

The Importance of Planning - DB Hurley

1. Stop to help when and where you're needed. It's a simple way

to make your community better and help to create the kind of
vibe that makes people feel safe and happy. If you see someone
in need of assistance, come to their aid instead of averting your
eyes.
