Employment law changes from 6 April 2020 | Acas

Employment law regulates the relationship between employers and employees. It governs what employers can expect from employees, what employers can ask employees to do, and employees' rights at work.

Employment Law | CIPD

The key areas of law affecting recruitment and selection include discrimination, the right to work in the UK, criminal records checks and data protection. When recruiting staff, employers should understand and keep up to date with their legal obligations, making sure their recruitment and selection procedures comply with the law.

Recruitment Law Guidance | CIPD

A contract gives both you and your employer certain rights and obligations. The most common example is that you have a right

to be paid for the work you do. Your employer has a right to give reasonable instructions to you and for you to work at your job. These rights and obligations are called 'contractual terms'.

Contracts of employment - Citizens Advice

By law, an employer must provide anyone who's classed as an employee with the terms of their employment in writing (a 'written statement of employment particulars'). This document must contain a summary of the main terms of employment, such as pay and working hours. This document is often referred to as the 'employment contract'.
