The possibilities. Where do all the missing socks go? Sadly, the answers we discovered were far less interesting than we hoped — namely, we could find no proof that house elves or magic were in any way involved. Through diligent research and experimentation, here are what we think are the more likely explanations for this phenomena:

Where do all the missing socks go?

The missing dollar riddle is a famous riddle that involves an informal fallacy. It dates back to at least the 1930s, although similar puzzles are much older. Although the wording and specifics can alter, the puzzle runs along these lines: Three guests check into a hotel room. The manager says the bill is \$30,

so each guest pays \$10.
