Of the three, the Sunset book was clearly the most useful in helping us to decide where to put the pool, how to build it, which options to choose, and how to landscape it. My least favorite book, Pool Idea Book by Tauton, had more photos of pools but less instruction. I also recommend Pools & Spas by David Short.

This book sucks. It has nothing to do with the construction of a pool. It list all the materials needed to build one and describe each to the max. But I don't need to know everything about pipe,( copper, steel, brass, iron, galvanized, PVC) I wanted to know how to put it in a pool. This book rambles on like it was written by a mad man.
