Princeton Readings In Religion And

Princeton Readings in Religion and Violence is a timely and important collection that will be welcomed by experts and students alike. Its combination of religious texts with writings of theologians, philosophers, social scientists, and religious extremists, offers a unique approach to understanding the origins, nature, history, and justification of violence in religions' holy and unholy wars."—John L. Esposito, Georgetown University

Princeton Readings In Religion And Violence

Introduces students to the classical Jewish tradition through a close reading of portions of some of its great books, including the Bible, rabbinic midrash, the Talmud, Rashi's commentary on the

Torah (probably the most influential Bible commentary among Jews ever), the Zohar (the central work of Kabbalah), and the Guide for the Perplexed (Maimonides's great philosophical work). Students will consider what these works say about the relationship between revelation and interpretation in Jewish ...
