Robert Glennon captures the irony—and tragedy—of America’s water crisis in a book that is both frightening and wic. In the middle of the Mojave Desert, Las Vegas casinos use billions of gallons of water for fountains, pirate lagoons, wave machines, and indoor canals. Meanwhile, the town of Orme, Tennessee, must truck in water from Alabama because it has literally run out.

**Unquenchable Americas Water Crisis And What To Do About It ...**

The water crisis as described by Robert Glennon is complex. The book does a good job of describing  
it and highlighting that in most cases, it isn't caused by a single problem but rather is a result of the  
interconnection of multiple causes (in other words, it looks at the entire system and how it is failing).
