Identify Your Kindle E-Reader - Amazon

The Kindle 4 comes with just 2 gigabytes of internal storage, and that might raise several red flags with prospective buyers. It's worth noting, however, that Amazon estimates the device can hold up to 1,500 electronic books -- and that's still a significant number of books to have on hand. It will be reduced, however, if images and audiobook files are stored on the device's internal memory ...
