Gender, Race, and Class The articles in this section apply many of the theoretical concepts isolated above to the analysis of gender, race, and class in media production, text construction, and consumption. Some media scholars tend to focus almost exclusively on theory, relegat-ing social and political concerns to the back-ground.

A CULTURAL TO GENDER, RACE, AND CLASS IN MEDIA

This provocative new edition of Gender, Race, and Class in Media engages students in critical media scholarship by encouraging them to analyze their own media experiences and interests. Students explore some of the most important forms of today’s popular culture—including the internet, social media, television series, films, music, and advertising—in three distinct but related areas of investigation: the political economy of production, textual analysis, and audience response.
