After reading the first chapter, I realized that I will need a professional to work on my beautiful Reproducing Player Piano. The book, although it is very detailed and meant for people in the piano repair and restoration business, it is written in a way that an interested, non-pro person like myself can read and understand. I

found it fascinating.

OLD FASHION PLAYER PIANOS. At the Antique Piano Shop, we specialize in player piano restoration. Two very important points we would like to make are these: First, a player piano is only going to play and sound as good as the piano itself. If the piano is in poor condition, no matter how fast the keys move up and down it is going to sound terrible. Second, a player piano consists of two separate machines - the piano, and the player mechanisms that play the piano.
