Avi ...**

'In Green Cultural Criminology, Avi Brisman and Nigel South integrate two of critical criminology's most innovative developments in recent years: green criminology, with its focus on harms perpetrated against the environment and non-human species, and cultural criminology, with its focus on the role of the media and consumption in late modern society. The book invites green criminologists to integrate into their analysis the focal concerns of cultural criminology in order to better ...

Green Cultural Criminology: Constructions of Environmental ...
Conclusion and future directions. According to Ferrell (2006a:255),

"cultural criminologists continue to explore new ways of conceptualizing and undertaking criminological scholarship, and to imagine new ways of confronting critically the intersection of culture, crime, and justice.". In this book, we have argued that green criminologists should seek "to imagine new ways of confronting critically the intersection of culture, crime, justice, and the environment.".
