What is an identity manual? An identity manual is a document, which can be printed or digital, where a set of rules or visual guidelines for a brand are compiled. The manual describes the use of all graphic signs and their possible variations such as color, size, typographies, iconography, patterns, and textures associated with a brand.

What Is A Brand Identity Manual And What Should It Include ...

A brand book (also referred to as a brand guide, visual identity guidelines, brand manual, style guide, brand identity book or brand toolkit) is an official corporate document that explains the brand's identity and presents brand standards. Some brand books are focused exclusively on the design aspect, while others include a company overview and communication guidelines as well.

A brand guideline, brand book, or brand manual, is a document that summarises your brand. From brand strategy, through to brand identity and execution. Who Should Create Your Brand Guidelines? Your branding agency should create the brand guideline document at the end, or as they progress through, your branding or rebranding project.
