...

Since the early nineteenth century, the United States has repeatedly intervened in the affairs of Latin American nations to pursue its own interests and to "protect" those countries from other imperial powers or from internal "threats.". The resentment and opposition generated by the encroachment of U.S. power has been evident in the recurrent attempts of Latin American nations to pull away from U.S. dominance and in the frequent appearance

of popular discontent and unrest directed ...

...

This book examines dissent over the question of empire in Britain and shows how it was influenced by rebellions and resistance in the colonies from the West Indies and East Africa to Egypt and India. It also shows how a pivotal role in fomenting dissent was played by anti-colonial campaigners based in London at the heart of the empire.

Empire and Dissent—The United States and Latin America — Brill

What is more, they shaped British ideas of freedom and emancipation back in the United Kingdom. Priyamvada Gopal examines a century of dissent on the question of empire and shows how British critics of empire were influenced by rebellions

and resistance in the colonies, from the West Indies and East Africa to Egypt and India.
