Managing Human Resources

Understanding Human Resources Management

A Canadian Perspective

"This first edition is an Introduction to Human Resource Management text for students in Intro HR courses, who do not plan to become HR practitioners. It views the various HR functions through a general manager's lens, rather than an HR specialist's lens, providing a less technical and more applied introduction to the field."--

Human Resources Management in Canada, Thirteenth Canadian Edition, Loose Leaf Version

Fundamentals of Human Resource Management with CD & Powerweb Irwin/McGraw-Hill

Provides a brief introduction to human resource management. This book focuses on the uses of human resources for the general population. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy.

Effective Human Resource Management

A Global Analysis Stanford University Press

Effective Human Resource Management is the Center for Effective Organizations' (CEO) sixth report of a fifteen-year study of HR management in today's organizations. The only long-term analysis of its kind, this book compares the findings from CEO's earlier studies to new data collected in 2010. Edward E. Lawler III and John W. Boudreau measure how HR management is changing, paying particular attention to what creates a successful HR function—one that contributes to a strategic partnership and overall organizational effectiveness. Moreover, the book identifies best practices in areas such as the design of the HR organization and HR metrics. It clearly points out how the HR function can and should change to meet the future demands of a global and dynamic labor market. For the first time, the study features comparisons between U.S.-based firms and companies in China, Canada, Australia, the United Kingdom, and other European countries. With this new analysis, organizations can measure their HR organization against a worldwide sample, assessing their positioning in the global marketplace, while creating an international standard for HR management.

Fundamentals of Human Resources Management in Canada Prentice Hall, 2004 [i.e. 2003]

This text is appropriate for introductory college and university Human Resource Management courses. Fundamentals of Human Resources Management in Canada provides a comprehensive review of personnel management concepts and practices in a highly readable form. It focuses on the high-performance organization-building better, faster, more competitive organizations through HR; while continuing to offer practical applications that help all managers deal with their personnel-related responsibilities. This new fundamentals text is based on two key premises: 1) HR is the most important asset in the majority of Canadian organizations today and; 2) the effective management of the employment relationship is a responsibility shared by human resources, industrial relations specialists, supervisors, managers, and increasingly employees themselves.

Human Resources Management in Canada

Human Resources Management Success: The Ulrich Collection (3 Books) *Harvard Business Review Press*

This digital collection, curated by Harvard Business Review, includes three important books by experts in the human resources field—The HR Scorecard, The HR Value Proposition, and Human Resource Champions. Learn how individuals in human resources can partner with line managers to make organizations more competitive, how HR impacts business performance, and how HR leaders can bring substantial value to internal and external stakeholders.

Essentials of Managing Human Resources

Human Resources Management in China

Cases in HR Practice *Elsevier*

Aimed at people interested in management and Human Resources in China, this book is a collection of original and researched case studies on a variety of HR issues occurring in Chinese organisations, both privately-owned and part of multi-national enterprises, and how these issues are resolved by management. The impacts of the solutions in the organisations are also discussed. Preceded by a brief review of the Chinese and Western literature on this problem, the case is then presented and concluded by an analysis of the situations and solutions implemented. Based on original research, conducted in-the-field Provides actual case-studies based on actual organisations Integrates a theoretical perspective and analysis of the cases to assist in a broad understanding of the issues discussed

Recruitment, Selection and Deployment of Human Resources

A Canadian Perspective *Pearson Prentice Hall*

Recruitment, Selection, and Deployment of Human Resources: A Canadian Perspective is a detailed, practical text that helps undergraduate students become proficient in the required capabilities set out by the Canadian Council of Human Resources Association (CCHRA). Like all of our titles in the PH Series in Human Resources Management, this text incorporates the required capabilities for staffing as outlined by the CCHRA. Also in keeping with the series, it focuses on practical application. This text is aimed primarily at undergraduate students who are studying Human Resources Management.

Essentials of International Human Resource Management

Managing People Globally *Edward Elgar Publishing*

The revised and fully updated second edition of this textbook illustrates the multi-layered knowledge accumulated in the field of international human resource management, developing understanding of the strategic management of people in organizations in a global context. It integrates comparative approaches to human resource management, extending beyond traditional coverage of the field to provide a broader overview of contemporary cultural, institutional and organizational challenges.

Human Resource Management in Canada, Canadian Seventh Edition, Gary Dessler, Nina D. Cole, Virginia L. (Gini) Sutherland. Instructor's Resource Manual with Video Guide *Scarborough, Ont. : Prentice-Hall Canada*

Management of Human Resources

The Essentials, Fifth Canadian Edition, Loose Leaf Version

Do We Need HR?

Repositioning People Management for Success *Springer*

Written by a leading team of authors with contributions from top HR professionals, Do We Need HR? is an important book which addresses issues surrounding the role, structure and challenges for HR departments and how the field may be affected by new types of organizations, networks and methods of working.

Human Resource Management

Gaining a Competitive Advantage *McGraw-Hill Companies*

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 5th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

Human Resource Management for Organisational Change

Theoretical Formulations *Routledge*

Change can take place in various forms, gradual or abrupt, incremental or transformational. It is a requirement in modern day society that everyone, whether at individual or organisational level, understands the softer nuances of this concept and prepares for it. During scenarios of change interventions, the role of human resources (HR) becomes highly crucial, even as the perception towards it becomes ambivalent. This volume delivers a holistic view on the role of HR in organisational change. It is built on the various theoretical models of change and provides a dramatic sequence of issues in change management to gain a big picture thinking for HR managers and weaves through why, how and what perspectives to change management. Human Resources

Management for Organisational Change offers a comprehensive coverage of the changing role of HR as it relates to organisational change theories and models, strategy, changing business environment and implications, organisational culture, leadership, resistance management, and high performance work practices (HPWP) to support change management and cost of no-changers. It is unique in that it covers the entire gamut of organisational change as well as HR. It will be of value to researchers, academics, professionals, and students interested in learning more about how organisational change can improve productivity and human satisfaction as well as the systematic approach to managing organisational change.

International Human Resource Management

Managing People in a Multinational Context *South-Western Pub*

This book is a new edition of the market leading text. Changes include increasing coverage of small and medium enterprises, new material on managing diversity and cross-cultural workforces, new material on off-shoring, particularly to India or China, and a new chapter on sustaining global growth and linking the international HR function more firmly to a company's strategic growth plans.-Back cover.

Meeting the Challenge of Human Resource Management

A Communication Perspective *Routledge*

While communicating is a vital skill for managers at all organizational levels and in all functional areas, human resource managers are expected to be especially adept communicators, given the important interpersonal component of their roles. Practitioners and scholars alike stand to benefit from incorporating an updated and more nuanced view of communication theory and practice into standard human resource management practices. This book compiles readings by thought leaders in human resource management and communication, exploring the intersection of interests, theories, and perspectives from the two fields to highlight new opportunities for research and practice. In addition to covering the foundations of strategic human resource management, the book: offers a critical review of the research literature on topics including recruitment, selection, performance management, compensation, and development uses a communication perspective to analyze the impact of corporate strategy on human resource systems investigates the key human resource management topic of the relationship between a company's human capital and its effectiveness directly discusses the implications of communication literature for human resource management practice Written at the cross-section of two established and critically linked fields, this book is a must-have for graduate human resource management and organizational communication students, as well as for high-level human resource management practitioners.

Management of Human Resources

The Essentials, Fourth Canadian Edition, *Pearson Education Canada*

Dessler: Preparing today's students to be tomorrow's HR Professionals Management of Human Resources: The Essentials, Fourth Canadian Edition, brings both human resources and non-human resources students into the current and comprehensive discussion on the ways in which human resources are among the most important assets in organizations today. The Canadian fourth edition provides extensive coverage of all HRM topics, such as job analysis, HR planning, recruitment, selection, orientation and training, career development, compensation and benefits, performance appraisal, health and safety, and labour relations. Note: If you are purchasing an electronic version, MyManagementLab does not come automatically packaged with it. Canadian Human Resource Management

The HR Book

Human Resources Management for Small Business *Unistar Books*

From hiring and orientation to developing company policies and negotiating employment contracts, you have the opportunity to select and nurture employees who will most closely fit your company's objectives.

Reinventing Human Resource Management

Challenges and New Directions *Psychology Press*

The authors of this text review the most current thinking on HR initiatives associated with current organisational performance and investigate how the field will need to mobilise in new ways to meet the demands of the future.

Strategic Human Resources Planning

Human Resource Management in Health Care: Principles and Practice *Jones & Bartlett Learning*

This innovative text will be useful for students and as a reference for practitioners. Each chapter will begin with a case study that focuses on the topical material of the chapter. The case study will be resolved at the conclusion of the chapter. In addition to references used in the chapter, each chapter will have a resources section for books, periodicals, websites and organizations.

Managing Human Resources

The Global Human Resource Management Casebook *Routledge*

This casebook is a collection of international teaching cases focusing on contemporary human resource management issues. Each case centers primarily on one country and illustrates a

significant challenge faced by managers and HR practitioners, helping students to understand how the issues they learn about in class play out in the real world. The cases emphasize the national and cultural contexts of HR management, providing readers with a global understanding of employee motivation, reward systems, recruitment and selection, career development, and more. In this edition, the editors and authors have made significant updates to reflect recent developments in the field and cover a broader range of countries in Eastern Europe and Africa. The authors also delve into new industries like food service, clothing manufacturing, and transportation as well as IT and academia. Recommendations for further reading and relevant videos provide readers with practical insights into the modern HRM field. With more than 30 cases followed by questions and tasks to encourage reflection, this is a valuable companion for any student of human resource management.

Human Resources Management: Concepts, Methodologies, Tools, and Applications

Concepts, Methodologies, Tools, and Applications *IGI Global*

Human resources management is essential for any workplace environment and is deemed most effective when a strategic focus is in place to ensure that people can facilitate that achievement of organizational goals. But, effective human resource management also contains an element of risk management for an organization which, as a minimum, ensures legislative compliance. Human Resources Management: Concepts, Methodologies, Tools, and Applications compiles the most sought after case studies, architectures, frameworks, methodologies, and research related to human resources management. Including over 100 chapters from professional, this three-volume collection presents an in-depth analysis on the fundamental aspects, tools and technologies, methods and design, applications, managerial impact, social/behavioral perspectives, critical issues, and emerging trends in the field, touching on effective and ineffective management practices when it comes to human resources. This multi-volume work is vital and highly accessible across the hybrid domain of business and management, essential for any library collection.

Human Resource Management in Sport and Recreation *Human Kinetics*

Human Resource Management in Sport and Recreation, Third Edition, provides current and future practitioners with a solid foundation in research and application of human resource management in the sport and recreation industries. The third edition prepares students for success by bringing into focus the three divergent groups of people who constitute human resources in sport and recreation organizations: paid professional workers, volunteers, and the clients themselves. Dr. Packianathan Chelladurai, pioneer in the field of sport management, continues to bring his expertise to this edition; he is joined by new coauthor Dr. Shannon Kerwin, an active researcher in organizational behavior and human resource management in sport. With more than 50 collective years of experience in teaching management of human resources, Chelladurai and Kerwin synthesize the core dynamics of human resources and the management of these resources as well as the role of the sport and recreation manager. The third edition's updated references, examples, and studies reflect the increased growth, interest, and complexity in human resource management in recreation and sport in recent years. Additional enhancements of the third edition include the following: • A

new opening chapter on the significance of human resources describes consumer services, professional services, and human services and provides a model for the subsequent chapters. • A greater emphasis is placed on recruitment and training as an essential component of success. • New “Technology in Human Resource Management” and “Diversity Management of Human Resources” sidebars connect theory to practice for sport managers as they confront contemporary issues in the workplace. • Case studies at the end of each chapter help students apply concepts from the chapter to real-world scenarios. • Instructor ancillaries help instructors prepare for class with the use of an instructor guide with a syllabus, tips for teaching, and additional resources, as well as an image bank. In addition, updated pedagogical aids include learning objectives, summaries, lists of key terms, comprehension questions, and discussion questions to guide student learning through each chapter. Sidebars throughout the text provide applied concepts, highlight relevant research, and offer digestible takeaways. Organized into four parts, the text begins by outlining the unique and common characteristics of the three groups of human resources in sport and recreation. Part II focuses on differences in people and how the differences affect behavior in sport and recreation organizations. In part III, readers explore significant organizational processes in the management of human resources. Part IV discusses two significant outcomes expected of human resource practices: satisfaction and commitment. Finally, a conclusion synthesizes information and presents a set of founding and guiding themes. Human Resource Management in Sport and Recreation, Third Edition, explains essential concepts in human resources in the sport and recreation industries. The authors present a clear and concise treatise on the critical aspects of management of human resources within sport and recreational organizations to help aspiring and current professionals maximize their potential in the field.

Human Resource Management on the Pacific Rim

Institutions, Practices, and Attitudes *Walter de Gruyter GmbH & Co KG*

Canadian Human Resource Management

A Strategic Approach

International Human Resource Management

A Canadian Perspective

The books in the Nelson Series in Human Resources Management are the best source in Canada for reliable, valid, and current knowledge about practices in HRM. As part of this market-leading series, International Human Resource Management, 1st Canadian edition, accurately captures the reality facing HRM professionals practicing in multinational enterprises.

Canadian Human Resource Management, Ninth Edition

HR from the Outside In: Six Competencies for the Future of Human Resources McGraw Hill Professional

"This definitive work on HR competencies provides ideas and tools that help HR professionals develop their career and make their organization effective." —Edward E. Lawler III, Professor, University of Southern California "This book is a crucial blueprint of what it takes to succeed. A must have for every HR professional." —Lynda Gratton, Professor, London Business School "One single concept changed the HR world forever: 'HR business partner'. Through consistent cycles of research and practical application, Dave and his team have produced and update the most comprehensive set of HR competencies ever." —Horacio Quiros, President, World Federation of People Management Associations "Packed with facts, evidence, and prescriptive advice. It is about being a business leader first, and an HR professional second." —Randy MacDonald, Senior Vice President, Human

Resources, IBM Corporation "The concepts and competencies presented in this book provide HR leaders with new insights." —Gina Qiao, Senior Vice President, HR Lenovo "Powerful, relevant and timely! Defines "new HR" in a pragmatic way. This book is a must for leaders and HR folks who seek to create sustainable competitive advantage." —Satish Pradhan, Chief, Group Human Resources, Tata Sons Limited "You can't argue with the data! This book is a definitive and practical guide to learning the HR competencies for success." —John Lynch, Senior Vice President, HR, General Electric "A must read for any HR executive. This research-based competency model is particularly compelling because it is informed by the perspective of non-HR executives and stakeholders." —Sue Meisinger, Distinguished speaker and author, former CEO of SHRM "Read this book for a unique long-term perspective on where HR competencies have brought us and must take us in future." —John Boudreau, Professor, University of Southern California and Research Director, Center for Effective Organizations
