Human Rights Concept And Standards

Synopsis At the end of the 20th century, human rights have frequently been qualified as the "common heritage" or the "common language" or humanity. They do not belong to the domestic jurisdiction of states and are internationally protected, creating a body of universal standards and values at ...

Human Rights: Concept and Standards: Concepts and ...

The first deals with the concept of human rights, presenting the evolution

and expansion of the concept and its philosophical formulations and theoretical reflection on the nature and sources of human rights. International standards are grouped, first, from the point of view of categories of human rights: civil, political, economic, social and cultural, and then in relation to the protection of certain categories of vulnerable persons.
