Il vecchio e il mare

The Old Man and the Sea

THIS EDITION IS PROVIDED WITH A DETAILED INTRODUCTION TO THE BOOK AND AUTHOR WITH VARIOUS ILLUSTRATIONS. The Old Man and the Sea was written in 1951 and published in Life magazine on September 1, 1952. It is Hemingway's final work published during his lifetime. On publication of this book, five million copies of the magazine were sold in two days. The Old Man and the Sea also became a Book of the Month Club selection, and made

Hemingway a celebrity. Published in book form on September 1, 1952, the first edition print run was 50,000 copies. The illustrated edition featured black and white illustrations by Charles Tunnicliffe and Raymond Sheppard. The novel received the Pulitzer Prize in May 1953, and was specifically cited when Hemingway was awarded the Nobel Prize in Literature in 1954. The success of *The Old Man and the Sea* made Hemingway an international celebrity. *The Old Man and the Sea* is taught at schools around the world and continues to earn foreign royalties. The *Old Man and the Sea* served to reinvigorate Hemingway's literary reputation and prompted a reexamination of his entire body of his work. The novel was initially received with much popularity and it restored many readers' confidence in Hemingway's capability as an author. Its publisher, Scribner's, called the novel a "new classic," and many critics favorably compared it with such works as William Faulkner's "The Bear" and Herman Melville's "Moby-Dick". Ernest Hemingway was born in Oak Park, Illinois, in 1899, and began his writing career for *The Kansas City Star* in 1917. During the First World War he volunteered as an ambulance driver on the Italian front but was invalided home, having been seriously wounded while serving with the infantry. In 1921 Hemingway settled in Paris, where he became part of the American expatriate circle of Gertrude Stein, F Scott Fitzgerald, Ezra Pound, and Ford Maddox Ford. His first book, *Three Stories and Ten Poems*, was published in Paris in 1923 and was followed by the short story selection *In Our Time*, which marked his American debut in 1925. With the appearance of *The Sun Also Rises* in 1926, Hemingway became not only the

voice of the "lost generation" but the preeminent writer of his time. This was followed by *Men Without Women* in 1927, when Hemingway returned to the United States, and his novel of the Italian front, *A Farewell to Arms* (1929). In the 1930s, Hemingway settled in Key West, and later in Cuba, but he traveled widely-to Spain, Florida, Italy and Africa-and wrote about his experiences in *Death in the Afternoon* (1932), his classic treatise on bullfighting, and *Green Hills of Africa* (1935), an account of big-game hunting in Africa. Later he reported on the Spanish Civil War, which became the background for his brilliant war novel, *For Whom the Bell Tolls* (1939), hunted U-boats in the Caribbean, and covered the European front during the Second World War. Hemingway's most popular work, *The Old Man and the Sea*, was awarded the Pulitzer Prize in 1953, and in 1954 Hemingway won the Nobel Prize in Literature "for his powerful, style-forming mastery of the art of narration." One of the most important influences on the development of the short story and novel in American fiction, Hemingway has seized the imagination of the American public like no other twentieth-century author. He died, by suicide, in Ketchum, Idaho, in 1961. His other works include *The Torrents of Spring* (1926), *Winner Take Nothing* (1933), *To Have and Have Not* (1937), *The Fifth Column and the First Forty-Nine Stories* (1938), *Across The River and Into the Trees* (1950), and posthumously *A Moveable Feast* (1964), *Islands in the Stream* (1970), *The Dangerous Summer* (1985), and *The Garden of Eden* (1986). Il Vecchio E Il Mare

Juan, il mare, il cricket e il sogno di Sebastian *Elison Publishing*

"Juan, il mare, il cricket e il sogno di Sebastian" è un libro per tutti, volto ad una sensibilizzazione ecologica, partendo dal "riciclo" di potenzialità inaspettate, talvolta dimenticate. Valorizzando "risorse" ignorate come tali. Il mare, metafora di vita, rischia di essere inquinato da una modernità eccessiva, dai cambiamenti socio-economici, dall'indifferenza generalizzata, che spezzano gli equilibri "in" e "attorno" ad esso. L'umanità stessa è esposta ad un processo di "desertificazione" sia individuale che collettiva, se priva di una "scientifica" consapevolezza. Riusciranno la saggezza del vecchio Juan, il cricket praticato da alcuni immigrati, la letteratura "scoperta" dal giovane Sebastian e un'avventura nell'oceano contro i narcotrafficienti, ad indicare rotte "ecologicamente" sostenibili? Francesco Biacchi, classe 1962 è laureato in pedagogia. Ha pubblicato con Albatros Il Filo S.r.l., "Mario" e "Il folletto dispettoso" conseguendo nel 2014 una "Segnalazione di merito" al Concorso Letterario Internazionale "C'era una volta" dell'Associazione Amici dell'Umbria-Agostino Pensa", nel 2015 un "Diploma d'onore per la Favolistica" al Premio Letterario Internazionale "Il Molinello".

To Have and Have Not *Simon and Schuster*

From one of the best writers in American literature, a classic novel about smuggling, intrigue, and love. To Have and Have Not is the dramatic story of Harry Morgan, an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat. His adventures lead him into the world of the wealthy and dissipated

yachtsmen who throng the region and involve him in a strange and unlikely love affair. In this harshly realistic, yet oddly tender and wise novel, Hemingway perceptively delineates the personal struggles of both the "haves" and the "have nots" and creates one of the most subtle and moving portraits of a love affair in his oeuvre. By turns funny and tragic, lively and poetic, remarkable in its emotional impact, *To Have and Have Not* is literary high adventure at its finest.

Fiesta

Fifth Column *Simon and Schuster*

Featuring Hemingway's only full-length play, *The Fifth Column* and *Four Stories of the Spanish Civil War* brilliantly evokes the tumultuous Spain of the 1930s. These works, which grew from Hemingway's adventures as a newspaper correspondent in and around besieged Madrid, movingly portray the effects of war on soldiers, civilians, and the correspondents sent to cover it.

Le opere

Max Perkins *LIT EDIZIONI*

Maxwell Perkins era un uomo dai modi raffinati, estremamente elegante e garbato, diventato famoso soprattutto come colui che diceva a gente come Ernest Hemingway, Francis Scott Fitzgerald, Thomas Wolfe e molti altri "dove" e "cosa" tagliare nei loro romanzi. Durante i suoi anni alla Scribner, lo storico marchio editoriale americano, questo mite personaggio ha "riscritto" la storia della letteratura. Fu lui a scovare Fitzgerald, che prima di incontrare Perkins era un totale sconosciuto con problemi di alcol, e ad aiutarlo nella stesura di tutti i suoi lavori, incluso "Il grande Gatsby". Nel 1924 Fitzgerald gli ricambiò il favore presentandogli un giovane sconosciuto di belle speranze, con il pallino della pesca e delle corride, di nome Ernest Hemingway. Tra i due nacque un intenso e prolifico rapporto, un'amicizia che avrebbe dato vita a capolavori come "Fiesta", "Addio alle armi", "Per chi suona la campana". Hemingway avrebbe onorato l'editor cinque anni dopo la sua morte, dedicandogli "Il vecchio e il mare". E infine Thomas Wolfe, un "ragazzo piuttosto disorganizzato" per il quale Perkins intraprese una storica sfida con la vecchia guardia di Scribner, che nell'autore vedeva solo una fonte di problemi. Max Perkins è stato l'uomo che ha inventato il senso moderno del ruolo di editor: un professionista che interviene nell'idea, nella costruzione, nella struttura e nella stesura di un testo.

Hemingway *Bompiani*

una biografia appassionata, basata su

documenti di prima mano e lettere inedite, questa Fernanda Pivano ha dedicato a Hemingway, lo scrittore-mito del Novecento, cui fu legata da un profondo sodalizio professionale. Dalle belle pagine, che non si succedono in ordine cronologico, ma sotto l'incalzare dei ricordi e delle emozioni, emerge in una luce nuova la figura di questo genio sfortunato che, con un sorriso triste fino alla disperazione, diceva di aver conquistato il Nobel solo perché nel libro *Il vecchio e il mare* non c'erano parolacce. Dalle stesse pagine emerge un mondo dove il ritratto della realtà è intriso di tragedia e di amore per la vita. Come fanno quelli che, a sua somiglianza, cominciano, qualunque cosa accada, le giornate cantando.

Lovid-19

A diary written during a COVID-related lockdown where a 50-year-old single parent lives a quarantine in a quarantine shedding light on the parallelism

between the virus and the affective contagion that develops each time she encounters the other. The end of a relationship with a man defined "absolute king of the kingdom of Absence and the incarnation of Eros", will lead her to interface with the contradictions of living relationships between two opposite needs: attachment and distance. In this journey of investigation back in time, of traveling in a kaleidoscopic female reality, of searching for a sense of impermanence through literature and poetry, the countermelody to the protagonist will be given by her teenage daughter, a little hacker wiser than her, Beth and Gioia, her lifelong friends, different yet complementary, Cousin G., romantic serial accumulator and Marce, the dog guy, a former boyfriend. Against the background of current events and urgent issues (from femicide to the environment), text messages, dating apps and the Greece of her origins with the power of myth come into play and will lead to healing through the acceptance of inconsistency and complexity.
