The Carnivorous Carnival Quotes by Lemony Snicket

Behind these two booths was an enormous roller coaster, a phrase which here means "a series of small carts where people can sit

and race up and down steep and frightening hills of tracks, for no discernible reason," but it was clear, even in the fading light, that the roller coaster had not been used for quite some time, because the tracks and carts were overgrown with ivy and other winding plants, which made the carnival attraction look as if it were about to sink into the earth.
