Chicken Mask. Here's a fun chicken mask for the kids to make - at Easter or any time! It's easy too. First, cut a rectangular shape out of yellow card a bit wider than your child's face, and mark where the eye holes should be. Use a pair of sharp scissors to cut them out (with adult supervision). Referring to the photo above for the correct shape, cut two pieces for the beak: one out of black card and one, very slightly smaller, out of

red card.
