Make Your Own Convenience Foods

How to Make Chemical-free Foods that are Fast, Simple, and Economical

Cost, chemicals, and convenience are the main concerns about food. Food costs are high because of expensive processing, packaging, advertising, spoilage, and pilferage. Harmful food additives are used for food processing. Some occur naturally; others get into food accidentally. Wise shopping and home made food reduces the amount of additives consumed. Home made convenience foods save money and are easy to prepare. Little equipment is needed for home made convenience food; a blender should be the most basic tool. Suggestions and techniques are given for saving food and energy costs. Recipes are included for breads, breakfast foods, yogurt, cheese, lunches, salads, dinners, snacks, beverages, soups, and pet foods. A discussion of natural additives includes suggestions for safe additives, additives to avoid or cut down on, and places to shop for suggested ingredients.

Make Your Own Damn Movie!

Secrets of a Renegade Director *St. Martin's Press*

Lloyd Kaufman, the writer/producer/director of such cult-classic films as The Toxic Avenger, Class of Nuke 'Em High, and Tromeo and Juliet, offers a guide to movie-making unlike any other available anywhere. In 25 years, Kaufman, along with partner Michael Herz, has built Troma Studios up from a company struggling to find its voice in a field crowded with competitors to its current--and legendary--status as a lone survivor, a bastion of true cinematic independence, and the world's greatest collection of camp on film. As entertaining and funny as it is informative and insightful, Make Your Own Damn Movie! places Kaufman's radically low-budget, independent-studio style of filmmaking directly in the reader's hands. Thus we learn how to: develop and write a knock-out screenplay; raise funding; find locations and cast actors; hire a crew; obtain equipment, permits, and music rights (all for little or no money); make incredible special effects for \$0.79 each; charm, schmooze, and network while on the film-festival circuit; and, finally, make a bad actor act so bad it's actually good. From scriptwriting and directing to financing and marketing, this book is brimming with utterly off-the-wall, decidedly maverick, yet consistently proven advice on how to fully develop one's idea for an independent film.
