Forms of Communication | Interpersonal Communication

In this chapter you will learn the evolution of interpersonal communication from its core principles developed in the 1950's to the way we develop self-identity in the age of the Internet. These principles provide the foundation for most of the applied communication theory and skills you will use in your personal and

professional lives.

Chapter 2: Interpersonal Communication And Self - The ...

Interpersonal Communication provides a comprehensive introduction for students of the how and why of interpersonal communication. Peter Hartley uses research and theory from Social Psychology, Sociology, and Linguistics to provide a framework for understanding how we use language, gestures and facial expressions to communicate.
