Property shapes social life in ways that bring us closer to, or take us farther from, the ideal of a community of free and equal members. This view of property is neither libertarian nor communitarian but treats the community as the precondition of individual freedom.

The Meaning of Property: Freedom, Community, and the Legal ...

The right to property or right to own property is often classified as a human right for natural persons regarding their possessions. A general recognition of a right to private property is found more rarely and is typically heavily constrained insofar as property is owned by legal persons and where it is used for production rather than consumption. A right to property is recognised in Article 17 of the Universal Declaration of Human Rights, but it is not recognised in the International Covenant
