**Building Without Borders:  
Sustainable Construction for the ...**

Builders Without Borders is an  
international network of ecological  
builders who advocate the use of straw,  
earth and other local, affordable  
materials in construction. We believe  
that the solution to homelessness is not  
merely housing, but individuals and  
communities trained to house  
themselves.

Deal or no deal : construction's post-Brexit future hangs in the balance  
There's been plenty of talk about potentially leaving the EU without a deal, but very little detail. In the first of two articles launching our Building Without Borders campaign, Joey Gardiner examines the likely consequences of a no-deal Brexit for construction.
