Verified Purchase. Blackadder: the Whole Damn Dynasty , I've got to admit, it struck me as something to read just from the title alone. Primarily, this is just a book of all the scripts of all the episode - excluding the one-off special for the millennium, because that had't been made at the time. However, it deviates from being just a script book, into being something quite different by the fact that it fills in the gaps of all the Blackadder family members that we don't see, but are ...
