12th class Biology subject Notes

Revision Notes For Class 12 Biology Chapter 13 Organisms And Populations. If a species needs to continue its lineage, one of the foremost criteria is to maintain a healthy number of population. There were many species that existed before humans, and most of them thrived up until they were hunted to extinction. One of the most prominent records of a species going extinct because of humans was the moa – a large flightless bird that was endemic to New Zealand.
