It Takes Two to Talk *The Hanen Centre*

Shows parents how to help their child communicate and learn language during everyday activities.

Learning Language and Loving it

Provides a look at life in child care settings and how early childhood educators use the Hanen approach to promote interaction, language learning and emergent literacy in young children.

It Takes Two to Mango *Sourcebooks, Inc.*

It's all fun in the sun until someone turns up dead After Plum Lockhart's job as a travel magazine editor is eliminated in corporate cuts, she decides she's sick of cold winters in NYC and fruitless swiping on dating apps—what she needs is a dramatic change of scenery. On a whim, she accepts a job as a villa broker and moves to a beautiful Caribbean island. However, paradise isn't as perfect as it seems: the slow pace of island life, the language barrier, and a cutthroat office rival make Plum question leaving her old life behind. But when a client is found dead in the jacuzzi of Casa Mango—a property Plum manages—she knows she's really in a jam. With a killer loose on the island Plum will have to deal with a stonewalling police chief, a string of baffling clues, and a handsome Director of Security to solve this deadly case!

Talking with Your Toddler *Simon and Schuster*

A HANDY PARENT'S GUIDE THAT TURNS PROFESSIONAL LANGUAGE DEVELOPMENT INTO CHILD'S PLAY Are you concerned that your child is not verbalizing? The solution may be as simple as a game. Talking with Your Toddler teaches you how to stimulate speech using everyday play. It makes learning to talk fun and engaging for your child. With proven therapies and easy-to-follow activities, Talking with Your Toddler makes an ideal home companion. - Tips to promote talking throughout the day - Hands-on games that teach new words - Tricks for turning drive time into talk time - Fun ways to promote further practice - Techniques for keeping kids engaged Written by experienced speech professionals, this book's straightforward approach is equally useful for parents at home, teachers in the classroom or therapists in a clinic.

The Verbal Behavior Approach *Jessica Kingsley Publishers*

The Verbal Behavior (VB) approach is a form of Applied Behavior Analysis (ABA), that is based on B.F. Skinner's analysis of verbal behavior and works particularly well with children with minimal or no speech abilities. In this book Dr. Mary Lynch Barbera draws on her own experiences as a Board Certified Behavior Analyst and also as a parent of a child with autism to explain VB and how to use it. This step-by-step guide provides an abundance of

information about how to help children develop better language and speaking skills, and also explains how to teach non-vocal children to use sign language. An entire chapter focuses on ways to reduce problem behavior, and there is also useful information on teaching toileting and other important self-help skills, that would benefit any child. This book will enable parents and professionals unfamiliar with the principles of ABA and VB to get started immediately using the Verbal Behavior approach to teach children with autism and related disorders.

Talk Ability

Provides practical strategies to help kids with Asperger syndrome, high functioning autism or social difficulties gain the social and special language abilities necessary for successful conversations and friendships.

It Takes One to Tango *Simon and Schuster*

With a focus on self-empowerment and resilience, this refreshing and witty relationship guide has a reassuring counterintuitive message for unhappy spouses: you only need one partner to initiate far-reaching positive change in a marriage. Conventional wisdom says that “it takes two” to turn a troubled marriage around and that both partners must have a shared commitment to change. So when couples can't agree on how—or whether—to make their marriage better, many give up or settle for a less-than-satisfying marriage (or think the only way out is divorce). Fortunately, there is an alternative. “What distinguishes Reilly's book is that she says a warring couple don't have to agree on the goal of staying together; it takes one person changing, not both, to make a marriage work” (The New York Times). Marriage and family therapist Winifred Reilly has this message for struggling partners: Take the lead. Doing so is effective—and powerful. Through Reilly's own story of reclaiming her now nearly forty-year marriage, along with anecdotes from many clients she's worked with, you'll learn how to: -Focus on your own behaviors and change them in ways that make you feel good about yourself and your marriage -Take a firm stand for what truly matters to you without arguing, cajoling, or resorting to threats -Identify the “big picture” issues at the basis of your repetitive fights—and learn how to unhook from them -Be less reactive, especially in the face of your spouse's provocations -Develop the strength and stamina to be the sole agent of change Combining psychological theory, practical advice, and personal narrative, It Takes One to Tango is a “wise and uplifting” (Dr. Ellyn Bader, Director of The Couples Institute) guide that will empower those who choose to take a bold, proactive approach to creating a loving and lasting marriage.

More Than Words

Updated to reflect the most current view on naturalistic models of communication, this beautifully illustrated guidebook provides a step-by-step guide for parents of children with Autism Spectrum Disorder and other social communication difficulties. Presented in a user friendly format, the book's research-based strategies show parents how to turn everyday activities with their child into opportunities for interaction and communication.

How To Win Friends And Influence People *DigiCat*

"How to Win Friends and Influence People" is one of the first best-selling self-help books ever published. It can enable you to make friends quickly and easily, help you to win people to your way of thinking, increase your influence, your prestige, your ability to get things done, as well as enable you to win new clients, new customers. Twelve Things This Book Will Do For You: Get you out of a mental rut, give you new thoughts,

new visions, new ambitions. Enable you to make friends quickly and easily. Increase your popularity. Help you to win people to your way of thinking. Increase your influence, your prestige, your ability to get things done. Enable you to win new clients, new customers. Increase your earning power. Make you a better salesman, a better executive. Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant. Make you a better speaker, a more entertaining conversationalist. Make the principles of psychology easy for you to apply in your daily contacts. Help you to arouse enthusiasm among your associates. Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today.

The Epistemology of Testimony *Clarendon Press*

Testimony is a crucial source of knowledge: we are to a large extent reliant upon what others tell us. It has been the subject of much recent interest in epistemology, and this volume collects twelve original essays on the topic by some of the world's leading philosophers. It will be the starting point for future research in this fertile field.

Franklin Has a Sleepover *Kids Can Press Ltd*

Franklin the turtle and his friend, Bear, have a sleepover party at Franklin's house, and the two play their favorite games and enjoy a campfire outside before camping out in the living room.

It Takes Two to Tumble *HarperCollins*

"Sebastian proves she is a new force to be reckoned with in historical romances."--Booklist Some of Ben Sedgwick's favorite things: Helping his poor parishioners Baby animals Shamelessly flirting with the handsome Captain Phillip Dacre After an unconventional upbringing, Ben is perfectly content with the quiet, predictable life of a country vicar, free of strife or turmoil. When he's asked to look after an absent naval captain's three wild children, he reluctantly agrees, but instantly falls for the hellions. And when their stern but gloriously handsome father arrives, Ben is tempted in ways that make him doubt everything. Some of Phillip Dacre's favorite things: His ship People doing precisely as they're told Touching the irresistible vicar at every opportunity Phillip can't wait to leave England's shores and be back on his ship, away from the grief that haunts him. But his children have driven off a succession of governesses and tutors and he must set things right. The unexpected presence of the cheerful, adorable vicar sets his world on its head and now he can't seem to live without Ben's winning smiles or devastating kisses. In the midst of runaway children, a plot to blackmail Ben's family, and torturous nights of pleasure, Ben and Phillip must decide if a safe life is worth losing the one thing that makes them come alive.

We Need to Talk About Kevin *Catapult*

The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two

days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

What it Takes to Talk *Walter de Gruyter GmbH & Co KG*

This book puts cognition back at the heart of the language learning process and challenges the idea that language acquisition can be meaningfully understood as a purely linguistic phenomenon. For each domain placed under the spotlight - memory, attention, inhibition, categorisation, analogy and social cognition - the book examines how they shape the development of sounds, words and grammar. The unfolding cognitive and social world of the child interacts with, constrains, and predicts language use at its deepest levels. The conclusion is that language is special, not because it is an encapsulated module separate from the rest of cognition, but because of the forms it can take rather than the parts it is made of, and because it could be nature's finest example of cognitive recycling and reuse.

It Takes Two to Talk

Designed to assist parents and teachers involved with language delayed children.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration *McGraw Hill Professional*

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. And Tango Makes Three *Simon and Schuster*

When male penguins Silo and Roy attempt to hatch an egg-shaped rock and find no success in their efforts, the zookeepers decide to place a fertilized penguin egg in their cage and end up with little baby Tango, in an amusing tale based on a true story from the Central Park Zoo.

More Than Words

Step by step guide for parents of preschool children with autism

spectrum disorder and other social communication difficulties.

Teach Me to Talk

It Takes Two to Talk : a Hanen Early Language Parent Guide Book *Hanen Early Language Resource Centre*

The First 20 Hours *Penguin*

Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition—how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Difficult Conversations *Penguin*

The 10th-anniversary edition of the New York Times business bestseller—now updated with "Answers to Ten Questions People Ask" We attempt or avoid difficult conversations every day—whether dealing with an underperforming employee, disagreeing with a spouse, or negotiating with a client. From the Harvard Negotiation Project, the organization that brought you *Getting to Yes*, *Difficult Conversations* provides a step-by-step approach to having those tough conversations with less stress and more success. you'll learn how to: · Decipher the underlying structure of every difficult conversation · Start a conversation without defensiveness · Listen for the meaning of what is not said · Stay balanced in the face of attacks and accusations · Move from emotion to productive problem solving

Of Mice and Men *Lulu.com*

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Encouraging Language Development in Early Childhood Settings

"This booklet provides practical ways to make the most of everyday interactions and conversations by focusing on children's interests and providing language appropriate to their respective language levels."--Introduction.

The Giving Tree *Harper Collins*

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio*, the *Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

Saving Us *Simon and Schuster*

United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling "optimistic view on why collective action is still possible—and how it can be realized" (*The New York Times*). Called "one of the nation's most effective communicators on climate change" by *The New York Times*, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at *The Nature Conservancy*. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

It Takes Two

Jonathan and Drew Scott, known for their wildly popular HGTV shows including *Property Brothers* and *Brother vs Brother*, follow up their New York Times bestseller, *Dream Home*, with a highly anticipated memoir. *It Takes Two: Our Story* shares never-before-revealed tales of the brothers' childhood and rise to fame--from starting their first business at 7 years old, their years modeling and acting, to their first house purchase at the impressive young age of eighteen. They soon found their true passion in life, combining their natural gifts for entertaining with the skills they learned from buying, renovating, and selling homes. Complete with hilarious behind-the-scenes stories from set, Jonathan and Drew discuss how their family and upbringing have led to their success in life. Throughout, the brothers keep fans laughing with the clever--and sometimes zany--sibling banter for which they're known best.

ABC and Beyond

The Hanen Centre's newest guidebook brings to life the most current research on promoting children's emergent literacy in early childhood classrooms. With the goal of preparing preschool children to learn to read and write successfully, *ABC and Beyond* shows educators how they can build language and literacy learning naturally into everyday conversations and activities. By translating the most current research into user-friendly strategies for educators, *ABC and Beyond* addresses the various prerequisites of literacy, including vocabulary, story comprehension, decontextualized (abstract) language, print knowledge and phonological awareness. More than 120 color photographs and many easy-to follow charts with detailed, practical examples beautifully illustrate how the strategies are applied in real-life contexts.

Allow Me

People with developmental delays, like the rest of us are eager to reveal who they are. All this requires some form of language. But often people with developmental disabilities don't communicate in the same way. This guidebook is offered as one way in which we can connect with people who have developmental delays - in a way in which language can be nourished. It will help stop the communication barriers which are frequently misunderstood.

You Make the Difference in Helping Your Child Learn

An Early Start for Your Child with Autism *Guilford Press*

Presents strategies for helping children with autism interact with others and achieve their potential, covering such areas as back-and-forth interactions, nonverbal communication, and imitation.

Design Mom *Artisan Books*

New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

The Late Talker *Macmillan*

A guide for parents offers advice on how to know if a late-talking child has a speech delay or disorder, providing coverage of such

topics as the warning signs of a serious disorder, finding a therapist, working with an educational system, and at-home speech exercises. Reprint. 15,000 first printing.

'Tis the Off-Season *Simon and Schuster*

Alex and Ava team up to take on the holiday season in Ashland in the tenth book of the *It Takes Two* series! Football season is finally over, and Alex and Ava can't wait to spend some more quality time with their family. Until their parents start acting totally unfair, that is! First they tell Ava that she can't join the basketball team because she needs to focus on her schoolwork, and then they tell Alex she can't host a Secret Santa party at their house after she's already agreed to it. What is Alex supposed to tell her friends? On top of everything, Coach and Mrs. Sackett decide that they're all going to stay home for the holidays instead of heading back to the East Coast. What kind of Christmas could it be without snow? Will the arrival of an unexpected guest remind Alex and Ava of all the things they have to be grateful for?

Babytalk *Random House*

The ability to use language well is one of the greatest gifts you can give your children. Helping them to communicate, to listen, and to understand, will build the foundation of their future learning. BabyTalk is a revolutionary programme for babies and children up to the age of four from leading language therapist Dr Sally Ward. The programme will:--optimise your child's language development--Enhance your child's ability to concentrate and learn--Enrich your child's imaginative play--Maximise the potential of your child's intelligenceThe BabyTalk programme takes just half an hour of playtime a day, is simple, stress-free, easily followed by any parent, carer or childcare professional - and above all, is great fun!

Will *Penguin*

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that

works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.

A Gentleman Never Keeps Score *HarperCollins*

If you haven't read *Cat Sebastian*, what are you waiting for?"—Lorraine Heath, New York Times bestselling author *Once* beloved by London's fashionable elite, Hartley Sedgwick has become a recluse after a spate of salacious gossip exposed his most-private secrets. Rarely venturing from the house whose inheritance is a daily reminder of his downfall, he's captivated by the exceedingly handsome man who seeks to rob him. Since retiring from the boxing ring, Sam Fox has made his pub, *The Bell*, into a haven for those in his Free Black community. But when his best friend Kate implores him to find and destroy a scandalously revealing painting of her, he agrees. Sam would do anything to protect those he loves, even if it means stealing from a wealthy gentleman. But when he encounters Hartley, he soon finds himself wanting to steal more than just a painting from the lovely, lonely man—he wants to steal his heart.

The Graveyard Book *Harper Collins*

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

Old School Love *HarperCollins*

RUN DMC.'s iconic rapper Joseph "Reverend Run" Simmons and his wife, Justine, share their secrets to lasting love and the guiding principles that have kept them together for more than twenty years. Written with Amy Ferris. This is a book about love. The kind of love that will keep you warm at night—that will keep you feeling safe and sound. The kind of love that will get you through some dark times; get you through some hard and yes, some tough times. The kind of love that will make you laugh, that will make you smile, that will make you nod knowingly. The kind of love that is nurtured and watered and grows—from a seedling to a flower. The kind of love that is desperately needed in the world right now, shared and sprinkled everywhere. *Old School Love* is a book to help you find the kind of soul-filling love you desire, written by a couple who has built a strong and joyful relationship amid the pressures, pitfalls, and temptations of the entertainment industry. Rev Run and his wife, Justine, have been blessed with a devoted partnership that has inspired others. In this homage to classic courtship, Rev and Justine reveal the secrets to their marriage's longevity and happiness. Each chapter of *Old School Love* offers stories, anecdotes, and memories of Rev and Justine's marriage, their family, their experiences, their passion, and their deep faith and belief in God. Some will make you laugh, some will make you think, and some will make you cry. Yet all will make you wiser—more beautiful for the wear—and encourage you to be a kinder, more generous, and better human. Their reflections are bookended by a verse or line from scripture, a saying, or a favorite quote and a sampling of personal wisdom. Over two decades strong, Rev and Justine's partnership is an inspiration. With *Old School Love* they are spreading their message of positivity, and creating a legacy for all of us to embrace and share. Powerful and life-changing, this little gem of a book is about magic, and miracles, and yes, the irrefutable power of love. *Old School Love* includes 8 pages of photos from Rev and Justine's personal collection.
