Art history - Wikipedia

Art history Clare Haynes. Art history is the historical discipline that deals largely, but not exclusively, with material objects. Traditionally, this has meant paintings, sculptures and buildings. Its work is centred on charting the history of the making of those objects across time and space, and, put loosely, doing history with them.

Art History - Articles - Making History

Alex Potts. A history of the visual arts, defined simply as a chronological description of the various objects we now classify as art, would be a pretty marginal affair, probably of less general interest than a history of machinery, or a history of clothing. It would certainly be a history that remained on the fringes of what

most people recognise as the central concerns of life.
