Literary language & its public in late Latin antiquity and ...

A literary language is the form of a language used in its literary writing. It can be either a non-standard dialect or standardized variety of the language. It can sometimes differ noticeably from the various spoken lects, but difference between literary and non-literary forms is greater in some languages than in others. Where there is a strong divergence between a written form and the spoken vernacular, the language is said to exhibit diglossia. The understanding of the term differs from one li
