The product and the venue. Pricing and funding as revenue sources. Promotion of the marketing message.

Marketing for cultural organizations : new strategies for ...

Cultural organisations have long been protected from the harsh realities of the marketplace by relying on wealthy patrons or public subsidies. But as these sources of finance become more scarce they now find that they have to compete for an audience. Some have adjusted to this new reality, but many have not. This

book describes the new competitive environment in which cultural organisations ...

Marketing for Cultural Organisations: New Strategies for ...

The second marketing strategy for cultural organizations involves digital translation of distribution of cultural products to attract people from diverse cultures. While this strategy contends significantly with challenges of copyright authority, relevant case studies attest to the efficiency of the approach to marketing in the light of attracting consumers with diverse backgrounds (Lee 2011).

Marketing for Cultural Organizations: Kolb, Bonita M ...

Transforming a nonprofit organization—for example, changing a service model or delivery area, or adding a new set of beneficiaries— is not just an

exercise in creating new strategies and processes to accomplish the organization's mission. It also means evaluating how the existing organization's culture might positively or negatively influence the change that needs to take place—and then working to adjust the culture, as needed, so that it supports the change.

Strategies for Changing Your Organization's Culture ...

Cultural differences in marketing should receive primary attention when selling goods or services internationally, as the cultural environment changes one country to the other. This means that multinational companies must understand the culture of a specific state before selling the products.
