Why Indigenous Environmental Justice Matters

Environmental Justice Discourses In International

Environmental justice is one of the most controversial and important issues in contemporary social science. Volume 8 of the Energy and Environmental Policy series challenges our understanding of environmental justice in a global context. It includes theoretical investigations and case studies by leading authors in the field.

Environmental Discourses and Discourse Coalitions in the ...

Environmental justice is a major movement and organizing discourse in the environmental politics arena, and both the movement and the idea have had a large influence on the way that climate justice has been conceptualized. While most discussions of climate justice in the academic literature focus on ideal conceptions and normative arguments of justice theory, or on the pragmatic policy of the more elite environmental nongovernmental organizations (NGOs), a distinct discourse has developed ...

From environmental to climate justice: climate change and ...

An ENGO engaging with Environmental Justice discourse is less likely to engage with Ecological Modernization, and vice versa, since these discourses form opposite poles of PC2. High-profile ENGOs combining Climate Politics and Environmental Justice (quadrant B), include Friends of the Earth International (-8,+14; Netherlands), Oxfam International (-3,+5; UK), and CARE International (-2,+4; Denmark).

Environmental non-governmental organizations and global ...

We are an interdisciplinary group of scholars from the University of East Anglia interested in the links between social justice and environmental change at local and global scales. We study injustices in different areas of contemporary environmental governance, and we are actively involved in

envisioning and supporting more effective forms of environmental governance and social mobilisation.
