Search for Love *St. Martin's Paperbacks*

From #1 New York Times bestselling "consistently entertaining writer" (USA Today) Nora Roberts, *Search for Love* takes a woman on a journey to meet a family she never knew she had—and a future she never imagined. When Serenity Smith's parents passed away,

she presumed she lost her only family. Then she receives word from a relative far from Washington D.C.—her grandmother, living on an estate in the beautiful Brittany region of France. But the hard-hearted Comtesse de Kergallen doesn't welcome Serenity with open arms. Neither does her arrogant yet undeniably charming cousin Christophe. Both harbor resentments against the Smiths, believing they damaged the family's aristocratic reputation. As Serenity sets out to clear her parents' names, tension mounts between her and Christophe—escalating from adversarial to passionate...

Carolina Moon *Penguin*

#1 New York Times bestselling author Nora Roberts presents a novel of

redemption and suspense, as a woman haunted by the unsolved murder of her childhood friend returns to her small South Carolina hometown. . . . Tory Bodeen grew up in a run-down house where her father ruled with an iron fist and a leather belt—and where her dreams and talents had no room to flourish. Her one escape was her neighbor Hope, who lived in the big house just a short skip away, and whose friendship allowed Tory to be something she wasn't allowed to be at home: a child. Then Hope was brutally murdered, and everything fell apart. Now, as she returns to Progress with plans to settle in and open a stylish home-design shop, Tory is determined to find a measure of peace and free herself from the haunting visions of the past. As she forges a new

bond with Cade Lavelle—Hope's older brother and the heir to the family fortune—she isn't sure whether the tragic loss they share will unite them or drive them apart. But she is willing to open her heart, just a little, and try. But living so close to those unhappy memories will be more difficult and frightening than Tory could ever have expected. Because Hope's murderer is nearby as well. . . . "Roberts may have achieved her personal best in this tense Southern Gothic. As atmospheric and unsettling as a Tennessee Williams play. . . . This is romantic drama at its best."—*Publishers Weekly* (starred review)
