The Oxford Handbook Of Employment

The Handbook aims to fill this gap by bringing together an assembly of comprehensive and high quality chapters to enable understanding of changes in employment relations since the early 1970s. Theoretically-based chapters attempt to link varieties of capitalism, business systems, and different modes of regulation to the specific practice of employment relations, and offer a truly comparative treatment of the subject, providing frameworks and empirical evidence for understanding trends in ...

The Oxford Handbook of Employment Relations: Comparative ...

Most notably, the Handbook seeks to incorporate at a theoretical level regulationist accounts and recent work that link bounded internal systemic diversity with change, and, at an applied level, a greater emphasis on recent applied evidence, specifically dealing with the employment contract, its implementation, and related questions of work organization.

Oxford Handbooks Ser.: The Oxford Handbook of Employment ...

The Oxford Handbook of Participation in Organizations discusses various arguments and schools of thought about employee participation; analyses the range of forms that participation can take in practice; and examines the way in which it meets objectives that are set for it, either by employers, trade unions, individual workers, or, indeed, the state. Employee participation encompasses the range of mechanisms used to involve the workforce in decisions at all levels of the organization

whether ...

Oxford Handbook of Participation in Organizations - Oxford ...

This chapter addresses employment law. Employment law serves many purposes, but it is worth distinguishing between at least two types of purpose, public and private. First, employment law is a kind of economic policy that aims to regulate wage and employment levels, and to ensure public safety. Second, employment law governs a bilateral relationship between employer and employee.
