The Politics of Injustice: Crime and Punishment in America, Second Edition is the first book to make widely accessible the new research on crime as a political and cultural issue. Katherine Beckett and Theodore Sasson provide readers with a robust analysis of the roles of crime, politics, media imagery and citizen activism in the making of criminal justice policy in the age of mass incarceration.

The Politics of Injustice: Crime and Punishment in America ...

In criminology, a political crime or political offence is an offence involving overt acts or omissions, which prejudice the interests of the state, its government, or the political system. It is to be distinguished from state crime, in which it is the states that break both their own criminal laws or public international law. States will define as political crimes any behaviour perceived as a threat, real or imagined, to the state's survival, including both

violent and non-violent oppositional c

Liberal crime-related election and political coverage. Offering news releases and other short paragraphs from liberal sources.

TalkLeft: The Politics Of Crime

The underlying theme of the book is that a qualitative change has taken place in the politics of crime control in the UK since the early 1990s. Although crime has stabilised, imprisonment rates continue to climb, there is a new mood of punitiveness, and crime has become a central policy issue for the government, no longer just a technical matter of law enforcement.

The New Politics of Crime and Punishment - Google Books

Political crime refers to crimes committed or acts omitted that injure, or are perceived as injuring, the state, the state's government, or the political system. It is the attempt of the citizen to injure the state, at least in the state's eyes. Political crime is defined in contrast to state crime, which refers to criminal acts or omissions of the state itself, typically those against its own citizens.
