Where grade boundaries are greyed out for a particular unit, there are no grade boundaries available. This may be because: the unit was not available in this exam session no one took the unit in this exam session.

Definition of terms A grade boundary is the minimum mark at which a letter grade can be achieved. For example, if the grade boundary for a B is 60 marks, then 60 is the minimum mark at which a B can be achieved. A mark of 59 would therefore be a C grade.
