American Civil Procedure

Civil procedure in the United States consists of rules that govern civil actions in the federal, state, and territorial court systems, and is distinct from the rules that govern criminal actions. Like much of American law, civil procedure is not reserved to the federal government in its Constitution. As a result, each state is free to operate its own system of civil procedure independent of her sister states and the federal court system.

Civil procedure in the United States - Wikipedia

"American Civil Procedure: An Introduction does a wonderful job of explaining clearly and directly both the institutional bases and legal meaning of our procedural system. It combines a lucid and convincing analysis of the way American civil procedure fits with the framework and values of our governmental system with a fascinating step-by-step overview of the process of litigation from filing through appeal.
