We Are Many Reflections On

Well we certainly did, but anyone could have told you, and many
 of us did, t There are some very good pieces about what Occupy
 accomplished, and some tidbits of knowledge that I was glad to
 get. But it doesn't really deliver on its promise of being
 reflections on strategy.

momentum of the Occupy movement. We have seen the results
 of years of organizing in different communities come together in
 ways that few could have imagined, bolstered by the scores of
 people who have left the comfort of their daily routine behind and
 taken to the streets.

"A wonderful collection of questions and reflections on the state
 of the movement today, where we came from, and where we
 might be going. It is all too rare that in the process of creating the
 movement and living the moment, participants and thinkers step
 back and ask the most pressing questions.

Reflection is the process of making sense of an experience in order to learn and improve as a practitioner. 1 Often, we reflect as part of our everyday practice without being aware that we are doing it – for example, on the way home from work. Using reflection within health and social care has benefits for patients and the profession. In order to do this effectively, reflection involves describing, analysing and evaluating experiences from practice in a way that helps you make sense of it.
