This book, Serpent in
the Sky, is a great
introduction into, not
only Schwaller
deLubicz' work, but is
in its own right a step
toward helping one
recognize that there

might be something to be gained by reforming our thought patterns and exploring other subject matter such as harmonics, proportions & volume; and incorporating these concepts into our everyday living experience.

John Anthony West's book, 'Serpent in the Sky' is a magnificent, mental journey from darkness into the light. Reading this book to completion will confirm a repeat experience, many times over, to better absorb the many concepts that Mr. West has so wonderfully, spelled out. If you are late to this party, the hangover will be congruent in intensity.
