feminism | Definition, History, & Examples | Britannica

A feminist criticism essay is usually a careful analysis of the feminist issues, represented in the book, which are basically concerned with the images of the female characters and their role in the narration. There are a number of standard aspects you can focus on, while exploring the view of the author on women, expressed in his work. First of all, prepare sketches of the female characters.

How to Write a Feminist Criticism Essay | Examples and Samples

Feminism was an intellectual scream a century ago. Today feminism represents those women who broke those intellectual chains in countries that are still today learning how to use democracy as a tool of a liberal society. So, genuine feminism is happening where democracy ends, and another political system begins.
